Blains, and all Bkin Diseases. OAKLAND, Ind., 6th June, 1859. J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Uicers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. sent to Cincinnati and got it, and used it till cured me. I took it, as you advise, in small doses of a teaspoonfel over a month, and used almost fiftee bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefally. ALFRED B. TALLEY.

Leucorrhon or Whites, Ovarian Tumor, Uterine Ulceration, Female Discases. Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous distbesis. I have cured many inveterate cases of Lencorrhoga by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarasparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom Syphilis and Mercarial Disease.

DE. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitie ulcers in his throat, which were consuming his palate and the top of his mouth Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the dis order would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers bealed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mer-They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparills in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable re-

sults with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. DR. J. C.
