From a Forwarding Merchant of St. Louis, Feb. 4, DR AYER. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, the also tried your l'ills, and they ASA MOEGRIDGE. have cured her. As a Family Physic.

From Dr. E W. Carturight, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Meadache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

DEAR BEO. AYER: I cannot answer you what complaints I have cured with your lifts better than to say all that we ever treat with a purgative medicine. I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your l'ills afford us the best we have, I of course value them highly. PITTERTEG, Pa., May 1, 1855. Dic J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a

dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect. ED. W PREBLE. Clerk of Steamer Clarion. Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They

have in my practice proved more effectual for the cure of bilious complaints than any one remedy l can mention I sincerely rejoice that we have at length a purgative which is worthy the coundence of the profession and the people. DEPARTMENT OF THE INTERIOR, Washington, D. C , 7th Feb., 1856. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot besitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an ad-

mirable remedy for derangements of that organ. Indeed, I have reldom found a case of bilious discase so obstinate that it did not readily yield to them. Fraternally yours, ALONZOBALL, M. D., Physician of the Marine Hospital. Dyscutery, Diarrhau, Relax, Worms. From Dr. J. G. Green, of Chicago. Your lalls have had a long trial in my practice,

and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small dokes for bilious dysentery and diarrham. Their sugar-coating makes them very accertaide and convenient for the use of women and Dyspepsin, Impurity of the Blood.

From Lev. J. V. Himes, Pastor of Advent Church, DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can coun-

dently recommend them to my friends. WARSAW, Wyoming Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Puls in thy practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suber from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. From Mrs. E. Stuart, Physician and Midwife, I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. Church. TULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONOGED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackentie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.
