FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Berofula and Scrofulous Affections, such as Tumora, Ulcers, Mores, Eruptions, Pimples, Pustules, Blotches, Boils, Blaius, and all Mkin Discases.

OAKLAND, Ind., 6th June, 1859. J. C. Arra & Co. Gents: I feel it my duty to acknowled as what your Sarsaparilla has done for me. Having inherited a Scrotulous injection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and a me, sometimes it turned inward and distressed me at it stomach. Two years ago it broke out on mr head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Saresparilla), for I knew from you reputation that anything you made must be good. I sent to Cincinnati and get it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three botties. New and healthy skin soon began to torm under the scab, which after a while feil off. Mir skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that a fall mlat I am saying when I tell son. that I hold you to be one of the ? " " les of the re", and remain over gratefully.

ALFRED B. TALLEY. Mt. Anthony's Fire. Rose or Erysinelat; Tetter and Malt Rheum, Meald Head, Blugworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1850, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Saramarilla. and also a dangerous Malignant Erysipelus by large dones of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writer: "Three bottles of your Sarsaparilla cured me from a Coitre - a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhon or Whites, Ornrinn Tumor, Uterine Ulceration, Female Discases. Dr. J. B S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but e-recially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of recorrhece by it, and some where the complaint was caused by u/ceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females In my family, which had defied all the remedies we could employ, has at length been completely cared by your Extract of Sarsapariila. Our physician thought nothing but extirpation could afford reacf. but be advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1359. DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were cusuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in fire weeks Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it vielded to my administration of your Sarsaparilla; the ulcers healed, and be is well again, not of course without some distiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bores. She, too, was cured entifely by your Saisaparilla in a few weeks. I know from its formula, which your agent gave me, that this l'regaration from your laboratory must be a great remeds; consequently, these truly remarkable resuits with it liave not surprised me.

Freerbally yours, G. V. LARIMER, M. D. Rhenmatism, Cout, Liver Complaint. INDEPENDENCE, Preston Co. Va., 6th July, 18:9. DR. J. C. AYER: Sir, I have been afflicted with a peinful chronic Rheumatism for a long time, which traffied the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J FREAM Jules Y. Getchell, of St. Louis, writer: "I have been afflicted for years with an offection of the Liver. which destroyed my health. I tried everything. and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev Mr. Espy, advised me to try your Sarsaparilla, because be said be knew you. and anything you made was worth trying. By the blessing of God it has cuted me, and has so purified my blood as to made a new man of at. I feet young again. The best that can be said of To t is not half

good enough." Schirrus, Cancer Tumors, Enlargement, Ciccration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cares of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanic, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits. Epilepsy, Many remarkable cures of these a Fediors have been made by the afterative power of this medicine It stimulates the vital functions into vi prous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Conghe, Colde, Inflacuza, Hoarseness,

Croup. Pronchitis, Incipient Cousumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of throat and lun; complainte. that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and co'de, and its truly wonderful cures of pu'morary disease, have made it known throughout the civiled nations of the earth. Few are the communities,

or even families, among them who have not some personal experience of its effects - some living tro; hy in their midst of its victory over the subtle and dangerous disorders of the throat and largs. As all know the dreadful fatality of these discreters, and as they know, too, the effects of this remedy. we need not do more than to assure then that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
