health again. They stimubody into vigorous activity. purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see bow directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deepseated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the

virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. PITTEBURG, Pa., May 1, 1866. DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE. Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy . I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF THE INTERIOR,

Washington, D. C, 7th Feb., 1856. SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot besitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an ad-mirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperi ents I have ever found. From Mrs. E.
