THE subscriber respectfully informs the public that he is carrying on the CARPEN-TERS BUSINESS, at his old stand, in Easton, and is prepared, at short notice, to execute orders in the best manner. He is prepared to do all kinds of work BY THE DAY, or by CONTRACT, and to FURNISH LUMBER, or not, as may suit those having jobs done. Long experience in the business, and other facilities for doing work, enable me to contract on the most advantageous terms to those who may wish to put up houses. All work warranted done in a workman-like manner. Architectural drawings, and plans furnished, when desired. A share of the public patronage is solicited,

PHILEMON FLOYD THICH has been in your midst for so many years is still in existence, next door to Merrett's Hotel, where you can be shaved, trimmed, clipped. curled, dyed or shampooned at short notice and on terms the most reasonable. The shop is undoubtedly the best and most commodious on the shore; the chairs pleasant,

the razors keen, the attendance polite, and altogether there is no other place of the kind where you would be so likely to get the worth of your money. Come therefore and try it. Returning thanks for past patronage a continuance of the same he earnestly solicits.
