They were short of supplies and contemplated attempting ti to escape across the river. The Rebels had been with considerable loss.

The question of rank between the Major-Generals of the army has been decided. The decision is made upon two grounds.

First. That an appointment may be ante-dated by the President, as in General Fremont's case; and second, that the order in which the names stand in the list sent into the Senate determine the rank between Generais Banks, Dix and Butler, without regard to the actual date of appointment by the President.
