FOR PURIFYING THE BLOOD, And for the speedy cure of the following complaints: Scrofula und Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boile, Blains, and all Skin Discases.

At length I was rejoiced read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your sent to Cincinnati and got ft, and used it till cured me. I took it, as you advise, in small doses o bottles. New and healthy skin soon began to form skin is now clear, and I know by my feelings that the disease has gone from my system. St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Bingworm, Sore Eyes, Dropey. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla. and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writes: "Three - a hideous swelling on the neck, which I had suffered from over two years."?

Leucorrhum or Whites, Overine Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, bu especially in Female Diseases of the Scrofulous I have cured many inveterate cases of Leucorrhoes by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within may knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females In my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1839. Dz. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Saraaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of l'enereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symp toms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. Bu It vielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable re-

salts with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rheumatiam, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. DR. J. C. AYER: Sir, I have been afflicted with painful chronic Eheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried everything,

and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to made a new man of me. I feel young again. The best that can be said of you is not half
