# AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD, And for the speedy cure of the following complaints: Scrofuln and Scrofulous Affections, such Pimples, Pustules, Blotches, Boils, Blains, and all Skin Discuses.

J. C. AYER & Co. Gents: I feel it my duty to ac-Having Inberited a Scrofuloge infection, times it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the and covered my scalp and ears with one sore, which tried many medicines and several physicians, but disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Pire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Bingworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y. 12th Sept. 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchecele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre - a hideous swelling on the neck, which I had sufferred from over two years."

Leucorrhon or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B S. Channing, of New York City, writes: I most cheerfully comply with the request of your agent in saving I have found your Sarsaparilla most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous I have cured many inveterate cases of Leucorrhoza by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ocarian tumor on one of the females in my family, which had defied all the remedies w could employ, has at length been completely cure by your Extract of Sarsaparilla. Our physician bought nothing but extirpation could afford relief but he advised the trial of your Sarsaparilla as the art resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom

of the disease remains." Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859. DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparills have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of l'enereal and Mercurial Disease. One of my patients had Syphilitie ulcers in his throat, which were consuming his palate and the top of his mouth Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symptoms in his pose, and the alceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. Bu it vielded to my administration of your Sarsaparilla the alcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bonce. They had become so sensitive to the weather that on damp day she suffered excruciating pain in her loluts and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable re-

sults with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. DR J. C. I tried everything, and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved paster, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you and anything you made was worth trying. ### Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness,

Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Discusc.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities. or even families, among them who have not some personal experience of its effects - some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders. and as they know, too, the effects of this remedi we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
