obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deepseated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cared by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other well-known public

From a Forwarding Merchant of St. Louis, Feb. 4 DR. AVER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured ber.

As a Family Physic. From Dr. E W. Cartwright, New Orleans. Your I'lls are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR BRO. AYER: I cannot answer you what complaints I have cured with your Fills better than to say all that we ever treat with a purgative medicine. I place great dependence on that effectual cathartic in my daily contest with disease, and be-lieving, as I do, that your Pills afford us the best we have, I of course value them highly. PITTEBURG, Pa., May 1, 1858. DR. J. C. AYEE. Sir: I have been repeatedly

cured of the worst headache anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE. Clerk of Steamer Clarion, Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. Washington, D. C, 7th Feb., 1856. SIR: I have used your Pills to my general and

hospital practice ever since you made them, and cannot besitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital. Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best sperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarraca. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church,

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can coundently recommend them to my friends. Yours, J. V. HIMES. WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIE: I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D. Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy,

Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada.
Too much cannot be said of your Pills for the oure of costireness. If others of our fraternity bave found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, althoug bad enough in itself, is the progenitor of others that are worse. I believe costireness to originate in the liver, but your Fills affect that organ and cure the

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel scorms. They are so much the best physic we have that I recommend no other to my patients. From the Rev. Dr. Hawkes, of the Methodist Epis.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856. HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs.and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855 DR AYER: I have been entirely cured, by your Pills, of Rheumatic Gout - a painful disease that has afflicted me for years. VINCENT SLIDELL. Most of the Pills in market contain Mercury which although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.
