AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD, And tor the speedy cure of the following complaints: berefala and Scrofalous Affections, such as Tamers, Cleers, Norce, Eruptions, Pinples, Pastuics. Blotches, Boils, Biains, and all Skin Discascs.

. OAKLAND, Ind., 6th June, 1859. J. C. ATER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have enffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; e metimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my sealp and cars with one sore, which was painful and losthsome beyond description. tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospe! Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well that I hold you to be one of the spostles of the ege, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Meald Head, Ringworm, Sere Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1839, that he has cured an inveterate case of Dropey, which threatened to terminate fatally, by the persevering use of our Sarsaparilla. and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goiter - a bideous swelling on the neck, which I had suffered from over two years."

Leucorrhan or Whites, Ovarian Tumor, Uterine Ulceration, Female Discuses. Dr. J. B S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saving I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Lencorrhogs by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my anowledge counts it for these female derangements," . Edward S. Marrow, of Newbury, Ala., writes: "A dangerous orarian tumor on one of the females In my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford rehef. but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859. Dr. J. C. ATER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarssparilla. I have cared with it. in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venercal and Mercurial Discuse. One of my patients bad Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symptoms in his nose, and the ulceration had extensway a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it vielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her coints and bones She, too, was cared entirely by your Sarsaparilla in a few weeks. I know from its formuld, which your agent gare me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Rheumatiam, Gont, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859 Dr. J. C. ATER: Sir, I have been a Bieted with a rainful Aropic Rheumatism for a long time, which taffled the Fkill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sersaparilla. One bottle cured me la two weeks, and restored my general health so much that I am far better than before I was attacked. think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver. which destroyed my bealth. I tried everything, and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. Nay beloved pastor, the Kev Mr. Espy, advised me to try your Sarraparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to made a new man of me. I feel young again. The best that can be said of you is not half rood enough.

Fraternally yours, G. V. LARIMER, M. D.

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Boncs. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dropepsia. Heart Disense, Fits, Epilepsy, Melaucholy, Neuralgia. Many remarkable cures of these affections bare been made by the elterative power of this medicine. It stimulates the vital functions into vigorous action. and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CCRE OF Coughe, Colde, Infinenza, Hoarsences, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Discusc. This is a remedy so universally known to surpass

any other for the cure of throat and lung complainte, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilfred nations of the earth. Few are the communities, or each families, among them who have not some personal experience of its effects - some living trople in their midst of its victory over the subtle and dangerous disorders of the throat and langs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remed we need not do more than to assure them that it has now all the virtues that it did have when making confidence of mankind.
