While in this condition, oppressed by the derangements, take Ayer's I'llie, and ree how directly they restore the natural action of the sysfem, and with it the buovant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deepseated and dangerous distenners. The sale purgative effect expels them. Caused by similar obstructions and derangements of the patural fanctions of the body, they are rapidly, and many of them surely cured by the same means. DR AVER. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcelous sores upon her hands and feet that had proved incurable for years. From Dr. E. W. Cartwright, New Orleans. Your Palls are the prince of purges. Their excellent qualities surpass any esthartic we possess. They are mild, but very certain and effectual in their sction on the bowels, which makes them invaluable to us in the daily treatment of disease. Meadache, Sick Headache, Foul Stomach.

From Dr Edward Boyd, Baltimore. DEAR REO. AVER: I cannot answer you what complaints I have cured with your In. better than to say all that we ever freat with a purgative medicine. I place great dependence on that effectual cethertic in my daily contest with disease, and believing, as I do, that your l'ills afford us the best we have, I of course value them highly.

Dr. J. C. Aver. Sir. I have been repeatedly cured of the worst headache any body can have by a dose or two of your l'ills. It seems to arise from a foul stomach, which they cleane at once. Yours with great respect. ED. W IEEPLE. Clerk of Steamer Carion. Bilious Disorders - Liver Complaints.

FITTSECEG, Pa., May 1, 1955.

From Dr. Theodore Bell, of New York City. Not only are your Pills admirably accepted to their purpose as an aperient, but I find their beneticial effects upon the Liver very marked indeed. They have in inv practice proved more effectual for the cure of bilious complaints than any one remedy I can mentiou I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people DEPARTMENT OF THE INTERIOR.

Washington, D. C., 7th Feb . 1856. Sin: I have used your l'ills in my general and hospital practice ever since you made them, and cannot besitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable temedy for derangements of that organ. Indeed, I have reidom tound a case of tilious disease so obstinate that it did not readily vield to them. Fraternally yours, ALONZOBALL, M. D., Thysician of the Marine Hospital.

Dr. AYER: I have used your Fills with extraordinary success in my family and among those I am called to visit in distress. Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your l'ills for the cure of costireness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, athough bed-enough in itself, is the progenitor of others that are worse. From Mrs. E.
