Rather sing this cherry song-

Let it pass. Let it pass. Echo not an angry word; Think how often you have erred; Since our joys must pass away, Like the dew drops on the spray, Wherefore should our sorrow stay? Let it pass.

Let it pass. If for good you've taken ill; Let it pass. Oh! be kind and gentle still; Time at last makes all things straight; Let us not present, but wait, And our triumph shall be great; Let it pass.
