ness to merit a continuance of the same, both with Gristand Saw departments. My mode of grinding is, to weigh all wheat where as much as 5 bushels is sent, (and Corn also if requested) and send back in writing the weight of both Groceries, Hardware, Queensware, Notions, comprising all of the most recent designs, styles, wheat and flour, when persons do not come themselves. Farmers and merchants will find it to their amantage to have their grain ground up instead of shipping all they have to Baltimore, and then send back for their flour, pay treights, commission, storage, &c. "A word or to the wise is sufficient." For every 51 bush. of good wheat weighing 60 lbs. to the bushel or over, I will not allow to leave the mill with less Grenadine Lawns, (a new article) than a barrel full of flour and packed; and for Organdie Lawns, &c., &c. quality, the Easton Steam Mill stands probably WM.
