NEWS SUMMARY.

was Lieutenant General Grant, who was on of the State than C. C. Cox. his way to Batimore. The accident was caused by the engine of the passenger train running into a truck car ladened with cross-ties, demolishing the car and scattering the fragments over the road and the passengers train. The collision was soon so violent that the front end of the boiler of the engine was knocked out. The engine, after running for a half mile, wast stopped. Had it 'left the track the result must have been most disastrous. Fortunately none of the

passengers were injured. Our armies in the field are receiving accessions at rapid rate from all portions of the loyal States. A Provost Marshal in a communication to the Provost Marshal General says:-"Recruiting has been the main busmess of this and are authorized to take Advertisements and office for the past ten days. Never before during the present war, as far as my observation goes, has there been anything like the interest now displayed by the people in obtaining men for
