to the disposition of their own offspring.

willling, though tairly beaten, to surrender a field | masters ? trice of the people, by a resort to protests, and meant that we shall load our already beavily injunctions, and writs of mandamus, and every burdened constituents with one more subsidy other device which the ingenuity of counsel that deleated traitors may not suffer the penalcould invent. The Governor's proclamation, ties of their own acts? Is it meant that we declaring the triumph of the friends of freedom, shall charm them back to loyalty by paying them in the spite of rebel votes and the "law's delay" the money of a people whom in striving to ruin did not reach the southern section of the State they have ruined themselves? I would rather until Monday, the 31st October, when a steam- say with King Henry of Bolingbroke, er from Baltimore brought the official document. A Union meeting was held that day at Cambridge, in Dorchester county, at which it was made known, to the infinite disgust of every faithful follower of Jeff. Davis, that the next day would see Maryland a ftee State. I know not how the word passed; I saw no flashing beacon, not flaming brand, nor speeding courier; but as I traveled in open carriage that night to fill an appointment nex day, more than fifty miles away, it seemed as if the very air borne the glad tidings before me. All Africa was abroad some on horseback, some in wagous, but nearly all on foot, moving along, singing and joytul. When, laiter in the hight, I pines, my curiosity was excited by the fact and low, who have spoken upon the subject, try people were usually at that hour a-bed, vides for separation and disugnon. Where is Marriages and Deaths inserted at 50 cents Carolina for supplies. On Monday alternoon these lights were a mistory to me. Turning to my companion, 'I asked an explanation .-He replied, "The lights you see are at the meeting-houses of the negroes, who have met exists. The issue is sharply defined between for the purpose of holding watchmeetings to the rebellion and the United States. On the one welcome in the 1st of November," The mys- eide is disunion for the sake of slavery; on the tery was explained. The negroes had assembled at midnight, in their rude churches, hastily built by the roadside, in the woods, or down at the marshes, to watch for the advent of their ecy, and compelled her to adopt the sentiment of General Thomas' army: "There is very lit. The Rebels subsequently made an attack on Petersburg and swung round on the Rebel right. day of jubilee, in order that they might receive part slave and part free. They construed the their earliest experience of heaven's priceless pric day of jubilee, in order that they might receive that the Union could not continue with the States of their freedom to God, are worthy to be free.

But it has been urged with great earnestness reconciled under a republican form of governamendment to interfere with the domestic in-
