TYLOR, in connection with his other buo siness, how offers himself as a LAND AGENT

for the Society of Friends and others who may wish to purchase, or make sale of REAL ESTATE,

in Caroline, Talbot and adjoining counties. There is no doubt that, in a short time, many Northern Friends and others will desire to locate within our limits and buy while lands are cheap and a good choice can be made. Therefore, all persons wishing to dispose of

land situated near Friends' Meetings will find it to their advantage to describe the same accurately in writing, estimating it at a fair price and authorize him to sell the same. His numerous acquaintances in Philadelphia, together with advertising in the Northern papers, will be likely to bring many purchasers within his notice. He promises to be attentive and faithful when business is entrusted to his care, and his charges will be made moderate and perfectly satislactory. Address
