A COW DRINKS EIGHTEEN GALLONS OF WHIS-KEY .- The Troy Times gives a most remarkable case of "beastly" intoxication:

"It seems that, on the upper part of Green Island, an illicit whiskey still existed until vesterday, when Marshal Kipp, Collector Woodward and Inspector Fales made a raid on the premises, and locked up both the owner and door. A month ago the distillery was in full blast. It was a "still" night, and the man running the machine, who had made eighteen gallions of whiskey, put it out in the open air to cool. Along came a cow. She was thirsty, and the beverage looked inviting. She swallowed every drop-eighteen gallons of unrectified whiskey, ever they try to raise her up and has become as cow will get sober or end her life in a fit of delirium tremens, is a question we shall look anxiously to see the solution of. It is really a remarkable case, and we should scarcely believe it if our informant was not connected with the elegraph, and of course perfectly reliable.
