the oldest, richest and most reliable companies in the United States, and offers you all the enducements to insure that can be found in any company. Its assets are over a million and a half. It has a surplus of \$300,000 over and abore what is required to reinsure all its policies. Its monthly receipts are over \$150,000. And it is issuing monthly over 1000 policies. Its rates for insurance are as reasonable as those of any other well established responsible company. I is paying as large dividends to its policy bolders as any other company. Its officers are competent business men. Its assets are as permanentcan invest theirs, and from which as good interest is being received. It pays its losses as prompt-

and as yet it is a stranger to litigation. nov 25-3m
