ls this what they call supporting President tation upon a question which seems likely to Johnson? "The scales tell from his eyes" on disturb the action of the Government, as well as the night of the 22d. We should think this poor to quiet the uncertainty which is agitating the support. It bears the construction that Prest. people of the eleven States which have been dedent Johnson means to denounce his whole resentative shall be addmitted into either branch course during the war, as bring wrong and that of Congress from any of the said States until on the 22d he commenced a new course of ac- Congress shall have declared such States enti- and Ducks, Manchaster, Lancaster, and Pine tion. This ought to have been embodied in the model to representation." Being a concurrent, resolutions. Do they suppose that he would be that it does not require the President's approval.

Their thus of Prints will be found to be serve full and well relected as to style.

GROCERIES AND LIQUORS. MARCH 10, 1866. With the fact that he has been a "stray sheep Davis. (Democrat) of Kentuck y said the Senathat has wandered from the flock? that denounce loss from the late Rebel States, many of whom. They can offer inducements to purchasers of ed Mr. Lincoln's administration in unmeasured Government or Rebel army, "and those who the market. Come and see, and you will be-But we had yet a weary way bofore us. The Legislature had then to peans law calling a Convention. That law had to be approved by a majority of the people. Members of the Convention had then to be elsed in all parts of the State, and the Constitution which they adopted had to be carried by a majority of the popular vote. He allowed himself is a support of the popular vote. He allowed himself is a support of the popular vote. He allowed himself is a support of the conversion had then to be elsed in all parts of the State, and the Convention had then to be elsed in all parts of the State, and the Convention had then to be elsed in all parts of the State, and the Convention had then the system. His antipathy was deeply and are authorized to take Advertisements and majority of the popular vote. He allowed himself is a support of the convention had then the says they are coming to him. While them he says they are coming to him. While them he says they are coming to him. While them he says they are coming to him. While the southern Senators as the friends of the counter of the conventions, and the could not us to united the majority of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the convention had then the president of the property of the whole number of the substance. This is a support of the whole number of the convention had then the president of the property of the whole number of the substance. The property of the whole number of the substance is a support of the substance with them as the containt of the pr them he says they are coming to him. While the Southern Senators as the triends of the coun-
