BORROWFUL RECCOLLECTIONS. O, to watch by memorie's gateway,

Looking down the lane of years-How plainly seen, each sorrow, All along the path appears! Each sorrow left its shadow, And each shadow lingers yet; For the sun has never risen, That so dim and darkly set.

True at times a little gleaming Shines upon me from afar, But tis only from the flashing Of some foreign meteor star, And the sun has never risen That so dim and darkly set, For the pangs that left their shadows, Pained too deeply to forget.

THEY SHALL RETURN.

My freighted shallops that return no more.

Nay, saith Time's monotone, Nay, saith Time's rolling drone, Bear thou thy sorrow still, Whether for good or ill: They shall return.

Nay, saith Times's monotone, Av, saith Time's dreary drone, Wait thou thy Maker's will, Whether for good or ill: They shall return.

I then would be nearly exhausted, andwas entirely My writhing heart, that may not yield nor flee,

Nay sayeth Time's weary drone, Wait thou his day, until, Whether for good or ill: They shall return.

My Hunt After The Baby.

After I had been here a short time the salt water -sister Bell and me-while the dear mamma dentily him with the political views of the Pres- lars then in his possession, a reward of five hunbreeze made me feel much better for a time and then went to see the dear papa sick in a distant hos- dent on the other. Gen. Grant feels that, next dred dollars will be paid by Chief Detective I had again to call a physician for aid. We had four went to see the dear papa sick in a distant nosof the best physicians of New York on the diseases of pital. It was a plump, peachy little thing, nearto the President, he is the head of the army of Mr. Graham is for somewhat aromatic; their tastes bitterish, and analo the lungs, and doctors of all kinds, but of no avail. | It a year old, named Maude-familiary called the United States, not the head of a political They said I was past cure, and that my lungs were Madge and more familiarly called Midgit.
