The Union Cause in Marylad. Meeting of the State Central Committee -- Call of a State Convention.

A meeting of the State Central Committee of the Unconditional Union party-Robert M. Proud, Esq., Chairman; Samuel M. Evans, Esq., Secretary-was held on Wednesday afternoon, the 30th ult., and the 'following resolutions were adopted:

Whereas, The recent acts of the General As sembly consummated by the treachery of the Governor to all his former professions, and by a disgraceful bargain for his personal advancement, have forced on the Unconditional Union men of Maryland the consideration of new issues, and render necessary a prompt declaration on their part of their views and purposes in this important crisis : therefore

Resolved by the State Central Committee of the Unconditional Union Party of Maryland, That a State Convention of the party is hereby called to meet in the city of Baltimore on Wednesday. February 20th, 1867, to take such action on the condition of the State and country as to them shall seem best, and to organize to descat the scheme for destroying the great State of Maryland, which is now threatend, and to declare their views on all the issues of the day.

Resolved, That each county and the city of Baltimore is requested to send to said convention delegates as númerous as may be deemed convenient and expedient by the respective counties, each county and Baltimore city to have, bowever, the same vote as they are respectively entitled to in both houses of the General Assembly.

Resolved, That our triends all over the State are requested to see that full delegations are sent and, if the state of the weather and the roads shall anywhere prevent county action, that the election districts of the county shall send such number of delegates as they shall choose to attend said convention.
