gifted authoress of "Passion's Flowers," seems the car, whose singular, never forgotten music echoes and but for the peculiar formation of the county.- assistant.

When first we love, you know, we seldom wed; Time rules us all. And life, indeed, is not The thing we planned it out ere hope was dead; And then, we women cannot choose our lot.

Much must be borne which it is hard to bear, Much given way which it were sweet to keep. God belp us all! who need indeed, his care ; And yet I know the sheppard loves His sheep.

But when he sleeps and smiles upon my knee, And I can feel his light breath come and go, I think of one, Heaven help and pity me! Who loved me, and whom I loved long ago: We are all changed. God judges for us best. God help us do our duty and not shrink,

But blame us women not, if some appear Too cold at times, and some too gay and light; Some grief gnaw deep, some woes are hard to bear. Who knows the past? All who can judge us right?

Ab, were we judged by what we might have been, And not by what we are; too apt to fall ! My little child—he sleeps and smiles between

AME'S & Rowland's Shorels and Spades, Axle Grease fit for winter use. For sale by. I should have done, I proceed to give an account of the school work in this County during has been made, with flattering success, to unite Commissioners, at its last meeting.

When this Board assumed the charge of the in recitation, under the charge of a teacher of of the present school year with renewed zeal; schools, it found the county already laid off into their own sex, the classes are composed of both the indifferent were stimulated, and the weak School Districts, each of which was supplied the one and the other. Their influence is mutually self the spur of ambition to distinguish himself with a house, and with a teacher actively engag- salutary. In addition to the happy effect upon among his tellows, while in the whole body was ed in his duties. There was no record of the the behavior of the pupils, this union in classes engendered that esprit de corpus, which is so der, sadly sweet. There is truth in it that many boundaries of these districts, and no record title has afforded a new incentive to the pupils, and necessary in every profession. Our teachers wires and mothers will feel as their heart goes back to a large majority of the houses and lands at- given more time to the teacher, while it has conwith harmony to the radient days when the poetry tached. The number of School Districts was ferred the additional advantage of bringing every of the suggestions and plans laid before the Asof their life was lived; when a voice was in their greater and so remains, than would be necessary child under the tustion of both the principal and sociation, are now acted upon in the schools in
