AMBRICAN FRUIT DRYING HOUSE, Green Corn, Beans and Peas.

It is a house with furnace attached in such manner as to cause a constant and rapid circulation of heated air within, carrying off immedi ately the watery elements of the fruits, and preserving all the aromatic properties, without the least fermentation or decomposition. FOLLOWING INSTRUMENTS The fruits are not colored, but remain fair and

pure, free from all manner of dirt or flies or wet weather. It only requires about eight hours to dry them perlectly. Fruits thus dried are double Of their manufacture : the value of those dried in the ordinary way .-The following testimonials speak for theirselves: with your "Drying House," I have to say, that

I have used one the past season, and it gave entrire satisfaction. Very Respectfully. ROBERT B. DIXON. Messrs. Nicols & Bartlett, Dear Sirs:-I bought last summer of you, one of your "Drying RICES Houses" and used it during the Summer and Fall for drying Peaches and other fruits. I unhesitatingly commend it to truit growers, as performing all that has been claimed for it. Res-
