The old year has gone

The new year has come,

For the Easton Gazette. NEW YEAR.

Old things are passed And new work begun. The Merchant and Tradesman How busy are they ! They have gone to their work In a business-like way, They replenish their stores And fill up their boards To grow rich and wealthy And then live as lords. The Mechanics, they too, Are not far behind, They are manfully trying Vast riches to find. They rise e're the lark Has soared on his wings, And are laboring while The Nightingale sings. The farmer and ploughman, The great tiller of soil-They are as anxious for fortune As they who strike oil. They care not for the world Nor what people may say But stick to their motto "Work while it is day." And there is the Lawyer, Though last, is not least Are anxiously waiting Topartake of the feast. When all have grown rich And have money to spare-When one with another, Try each other to tear, By kicking and knocking And scratching and biting 'Till by mutual consent They all get to fighting. . Then the rich they will find Thy money is small-Twould be better by far If they had none at all. That the effort that was made Was useless and in vain And the riches they had stor'd Was more loss than gain. Thus succeeding generations Will, methinks, move on 'Till by coming innovations They will all rest at home--In the land far away, In the land of the Nest, Where the wicked cease from troubling
