to a combination of all the ingredients of the Billors, with PURE Santa Crus Rum, Orange, etc. R is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear to mind that these remedies are entirely different from any others advertised for the cure of the diseases named, three being scientific preparations of medicinal estracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its hife-giving, exhiberating, and medicinal qualities have caused it to be known as the greatest of all lonics.
