Hoofland's German Bitters is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made from them by extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

is a combination of all the ingredients of the Billiers, with PURE Santa Crus Rum, Orange, etc. R is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named these being scientific preparations of medicinal estracts, solvile the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most plansant and agreeable remedies ever offered to the public.
Its taste is exquisite. It is a pleasure to take it, while its
bife-giving, exhibarating, and medicinal qualities have caused it to be known as the greatest of all ionics.

DEBILITY. There is no medicine equal to Hooftand's German food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous Tonie.
