BANKERS AND DEALERS IN GOVERNOON. The public are invited to call and get the Thankful for past favors, by strict attention to worth of their money, as I dely competition,

THE subscriber wishes to toform the public UNION PACIFIC RAILROAD CO

This great interprise is approaching con. pletion with a rapidity that astonishes the world Over fisteen (1500) hundred miles have been baik by two (2) powerful companies: the Utim nection between San Francisco and New York

will be completed by Juty 1. As the amount of Government aid giren to leach is dependent upon the length of road eacshall built, both companies are prompted th great efforts to secure the construction and coos tool of what, when completed, will be one and the only grand Railroad Line connecting the Atlantic and Pacific corsts.

One Hundred and Ten Million Dollars in money have already been expended by the 130 powerful companies engaged in this greatenter prise, and they will speedily complete the pri tion yet to be built. When the United State Government lound it necessary to secure the construction of the Pacific Railroad, to dereion and protect its own interest, it gave the companies authorized to build it such ample aid as should ronder its speedy completion bejund? doubt. The Government aid may be brieffr summed up as follows-

1st. The right of way and all necessary tim-2d. It makes a donation of 12,800 acres of land to the mile, which, when the road is completed, will amount to twenty-three milion acres, and all of it within twenty miles of the nil-

3d. It leans the companies fifer milica dollars, for which it takes a second lien. The Government has already loaned the ! nion Pacific Railroad twenty tour milion and fifty eight thousand dollars, and to the Central Pacific Railroad seventeen million six hundred and forty-eight thousand dollars, amounting i all to forty-one million seven hundred and six thousand doilars.

The companies are permitted to issue their own First Mortgage Bonds to the same amount as they receive from the United States, and co more. The companies have sold to permacent investors about forty million dollars of their First Mortgage Bonds. The companies have already paid in (including net earnings not divided, grants from State of California, and Sacramento city and San Francisco,) upwards of · I twenty-five million dollars of capital stock:

In considering this question it must be remembered that all the remaining from to haish the road is contracted for, and the largest portion

Railroad, and that the grading is almost faish-

3d. The companies now hold almost all the

WHAT IS THERE YET TO BE DONE?

WHAT RESOURCES HAVE THE COMPANIES TO FINISH THE ROAD? 1st. They will receive from the Government as the road progresses about \$9,000,000 addi-2d. They can issue their own First Morigage Bonds for about \$9,000,000 additional.

land they have up to this time received from the Government; upon the completion of the road they will have received in all 23,000,000 acres, which at \$1.50 per acre would be worn In addition to the above the net earnings of

could be called in to finish the road.

ness will be abundantly profitable.

WAY BUSINESS-ACTUAL EARNINGS. No one has ever expressed a doubt that as soon as the road is completed its through bust
