This great interprise is approaching to pletion with a rapidity that astoniabes the work Over fifteen (1500) hundred miles have been buik by two (2) powerful companies: the Using west, and the Central Pacific Railroad, bei will be completed by Juty 1.

As the amount of Governmedt aid gires to shall built, both companies are prompted to great efforts to secure the construction and com trol of what, when completed, will be one and the only grand Railroad Line connecting the Atlantic and Pacific coests.

One Hundred and Ten Million Dollars in money have already been expended by the two powerful companies engaged in this greatetier prise, and they will speedily complete the portion yet to be built. When the United States Government lound it necessary to secure the construction of the Pacific Railroad, to detelo and protect its own interest, it gave the companies authorized to build it such ample ad at should ronder its speedy completion beyond doubt. The Government aid may be brieff summed up as follows-

1st. The right of way and all necessary tim-Also Sugar, Adams' Early, Tuscarora and Pop ber and stone from public domain. 2d. It makes a donation of 12,800 acres of land to the mile, which, when the road a completed, will amount to twenty-three million & cres, and all of it within twenty miles of the mit-

3d. It loans the companies fifty million dol The Government has already loaned the U. nion Pacific Railroad twenty tour million and fifty eight thousand dollars, and to the Central all to forty-one million seven bundred and su

The companies are permitted to issue their own First Mortgage Bonds to the same amount as they receive from the United States, and to more. The companies have sold to permanent investors about forty million dollars of then First Mortgage Bonds. The companies have already paid in (including net earnings not divided, grants from State of California, and Sacramento city and San Francisco,) upwards o! HINSELF AGALN. twenty-five million dollars of capital stock:

WHAT IS THERE YET TO BE DONE?

In considering this question it must be remenbered that all the remaining iron to finish the road is contracted for, and the largest portion paid for and now delivered on the line of the [. Railroad, and that the grading is almost finish-WHAT RESOURCES HAVE THE COMPANIES

TO FINISH THE ROAD?

Ist. They will receive from the Government

as the road progresses about &9,000,000 add-2d. They can issue their own First Mortgage Bonds for about \$9,000,000 additional. 3d. The companies now hold almost all the land they have up to this time received from the Government; upon the completion of the road they will have received in all 23,000,000

acres, which at \$1.50 per acre would be worth 884,500,000. In addition to the above the net earnings of the roads and additional capital, if necessary, could be called in to finish the road.

WAY BUSINESS-ACTUAL EARNINGS. No one has ever expressed a doubt that as soon as the read is completed its through business will be abundantly profitable. Gross earnings of the Union
