CAUTION.

Price of the Efficient, \$1 00 per bottle; The thighe is yet up to quest bottles.

It is the time when birds are calling Each to his mate, his sweet-heart mate, When aire are sweet with blossoms falling. And spring to wanting warm and late ; And care is grown a beary thralling That keeps me from my fair estate.

For in the old familier places Doth Nature list, for me doth list, And in the wood's untrodden spaces Are pathways where my feet are missed And little starry flower faces That watch for me to keep a tryst.

Sweet valleys that the sky stoops over So tenderly, so tenderly, And bill sides where the whitening clever Already temps the roving bee, My beart is still your faithful lover, Bemembering charms none else will sec.

The robin is my Jounger brother; Blackbird and jay, sparrow and wren Each years to greet the dear old mother Come all the children bome again; She calls to me, "I miss no other, Ab, why so long in haunts of men !"

She knows my beart could never wrong her, She calls me so, she draws me so ; I feel the old spells growing stronger, Aside the beary weight 1 throw, I cannot bide in exile longer, Home to the meadows let me go!

Judge Not,

Judge not !- though clouds of seeming guilt may dim thy brother's face, For fate may throw suspicion's shade upon the bright. full of ripe raspberries. I told him that I should est name; Thou canst not tell what hidden chain of circum-STABLES MAY Have wrought the end result that takes an honest

name away. Judge not !

Judge not !- the vilest criminal may rightfully de A chance to clear himself before a jury of his land; And surely one who ne'er was known to break his plighted word, thould not be hastily condemned to obloquy un from him. Yet, though a man lose all, and keep

of bitter storm May rest on thee, the pure thy heart as dew-drops in the morn, Thou does not know what freek of fate may place frantically away, but was pursued by his vietim's upon thy brow cloud of shame to kill the joy that rests upon

Judge not! Judge not!-but rather in thy heart let gentlepity [again advance, firing until one of them should fat!. Man's judgments err; but there is One who "doet!

all things well;" Ever, throughout the voyage of life, this precept keep in mind: "Do unto others as then would'st that they should do to you."

Judge not!

Judge not !-- for one unjust reproach an honest hear can feel As keenly as the deadly stab made by the pointe The worm will kill the stardy oak (though slowly JACKETE. it may die), As surely as the lightning stroke swift running from the sky.

How Mark Twain was Sold in Newark The Newark Press contains the following exposition of what Mark Twain terms "A Wicked Fraud,"

Judge not!

to that city : You may remember that I lectured in Newark lately for the young gentlemen of the Clayonian Socie-ty? I did, at any rate. During the afternoon of bly frightened the other evening, by a negro dropthat day I was walking with one of the roung gen-tlemen just referred to, and he said he had an uncle landlord had been informed that thieves were secretwho, for some cause or other, seemed to have grown ed in the house, and sent one of the negro waiters to

Oh, if I could only see him weep." I was touched. I could never withstand distress.

I was profoundly moved, I said !

If there is any laugh in him-and if they miss fire I have got some others that will make him cry or kill was an intemperate man." Then the young man blessed me, and wept on my neck, and blew his nose on my coat tail, and went sling for Goliab, and Goliab got slewed with it." the second row of benches that night, and I began on him. I tried him with my mild jokes, then with severe ones; I dosed him with bad jokes and riddled men looked at the women's faces, instead of their him with good ones; I fired old stale jokes into him, ankles. I warmed up to my work, and assaulted him on the "you see the world has improved, and it is more right and left, in front and behind; I famed and civilized than it used to be. It looks more to the sweated, and charged and routed, till I was hourse understanding." and sick, and frantic and furious-but I never moved him once-I never started a smile or tear. Never at If I could come across a good temperance ghost of a smile, and never a suspicion of moisture! lecture," said a wine-bibber to his expostulating I was astounded. I closed the lecture at last with elergyman, "I would give it due consideration; but one despairing shrick-with one wild burst of humor the frouble is, all you temperance lecturers are so -and hurled a joke of supernatural atrocity full at dull." "There comes as good a lecture as could poshim. It never phased him, Then I sat down be- sibly be made," responded the clergyman, pointing The President of the society came up and bathed my head with cold water and said : fool laugh, in the second row."

Now was that any way for that old man's nephew to impose on a stranger and a orphan like me? I any way for him to do ?

Helena, Montano Territory, is a lively place.
The clite of the 14,000 inhabitants live generally in the dance houses, grog shops, and gambling dens.

In the inrest micon there are twenty-three tables, upon which piles of gold dust are staked without place in the course of twenty-four hours, every about 36 first-class (unerale,

> The strange, yet true, An others heretofore have done-

er, Baron James Rothschild. The son of a celebrated actress of the Comedia Francaise, M. Paul Xinherited from his mother a tolerable round sumand made more, and there was no tack of silvice as how to invest. They proposed to put him at the head of a great cuterprise, and Paul yielded to the temptation. It is so nice to be called "Monsieur, the

Director; my dear Director." There are enough more who would have done the same in his place; for every man has his ambiti But unfortunately the affair was, notwithstanding meerly the whole fortune of the Joung director was Baron James Rothschild was not ignorant of this 'Change, drew him aside and said kindly,

"Paul, my little friend, tell me how it is that so goung a man can be so sad." "Sad, yes indeed, sir, and not without caure." "Well, come and see me to-morrow at my burcan. Perhaps we shall find a cure." Paul did not fail to be there. And Baron James Rothschild, presenting him to the chef de division of his immense bankmg establishment, gare orders that until further M. X. should occupy a certain desirable position which embraced great advantages. In less than two years Paul who has brains enough had regained his fortune, a fact of which the Baron was not ignorant, and meeting him one day in the bareau, he said brasquely, but good naturedly,

"Clear out with you and make room for others; you're no business bere any longer. And now as you are on horseback again, mind and keep your Paul kept his word, and since his return to fortune he has remained deaf to all the indecements of every one to engage in this or that enterprise. day he was over-beard saying, lately, in a group alluding to the last words addressed to him by the illustrious banker.

"Well, I think that the first professor of equitation in the world is Baron James Rothschild."

"The Worst of It."

"Do you want to buy any berries to-day?" said a poor little boy to me one afternoon. I looked at the little fellow, and saw that he was poorly dressed. In his hand be beld a large basket like some; and, taking the basket from him, stepped into the house. He did not follow me. "Why don't you come in and see if I measured your berries rightly ?" said I. 'How do you know but I may cheat you, and take more than I agreed

The little boy fooked up at me and smiled. I am not afraid, said he, 'for you would get the worst of "Get the worst of it ?" I said. What do you mean!" Why ma'am, I should only loose my berries, but be the worst for you? Don't you think that would Let us think of this when we are tempted in any

way to cheat another. How often do we hear po sous pity any one who has had his property stoler honest, be is rich indeed, compared with the man who has robbed him .- Winning Words,

Grand Gulf, Miss., last week was the scene of one of those tragedies of passion that appear more ike romance than reality. A young man named Cushing loved a Miss Andrews, pressed his suit, and was refused. On Sunday last he rode to her res dence, and without alighting begged to see her .-When she appeared he shot her dead. He then rode brother, breathing vengeance against him. Andrews overtook Cashing as he was crossing a creek, and fired at hm. Cushing jumped from his borse and took shelter in the bush. Andrews, not to be at a disadvantage, did the same. A parley ensued, and the two men agreed to fight according to the code: to leave the cover, fire, advance and fire, and At the first fire Cushing received a mortal wound in the left shoulder, but the men continued to near eac! other and fire until their revolvers were empty .--When assistance arrived, Cushing lay dead with four ballets in his body. Andrews had received three shots in his breast. He was able to tell how the fight had taken place, when he also expired.

"John," inquired a dominie of a hopeful pu-Il, "what is a nailer ?" "A man who makes nails," said John. "Very good. What is a tailor ?"

"One who makes tails." "O, you stupid fellow," said the dominie, biting his lips, "a man who makes tails ?" Yes, master," returned John, "if the tailor did not put tails to the coats he made, they would be all "Sit down, John, you're an honor to your mater-

The other day a young lady stepped into a well-known establishment on Baltimore street, and inquired of a handsome clerk : "Bir, have you any mouse-colored ladies' gloves!" "Mouse-colored, Miss?"

"Yes, a sort of gray-just the color of your draw-" meaning the store drawers, which were paint-"My drawers, Miss," ejaculated the young man, perpetrated on him during his recent lecturing visit glancing down at his dress to see if everything was
