CENTRAL PACIFIC R. 3 FIRST MORTGAGE BOND

This great interprise so a west, and the Central Pacific Raffrond ning at Sacramento, and building the two roads shall meet. Loss then the will be completed by Juty 1.

As the amount of Government aid along each is dependent upon the length of road each great efforts to seculy the construction and or trol of what, when completed, will be one and the only grand Railroad Line connecting Atlantic and Pacific coests.

One Hundred and Ten Million Dollars w money have already been expended by the two Government lound it necessary to seemte construction of the Pacific Railroad, to develop and protect its own interest, it gave the comshould ronder its speedy completion beyond doubt. The Government aid may be brieffy summed up as follows-1st. The right of way and all necessary tim.

ber and stone from public domain. 2d. It makes a donation of 12,800 scres of land to the mile, which, when the road w completed, will amount to twenty-three million cres, and all of it within twenty miles of the rail-

3d. It loans the companies fifty million dol lars, for which it takes a second hen. The Government has already loaned the U. nion Pacific Railroad twenty-four million and fifty eight thousand dollars, and to the Central Pacific Railroad seventeen million six bendred and forty-eight thousand dollars, amounting is all to forty-one million seven bundred and aux thousand dollars. The companies are permitted to issue their

own First Mortgage Bonds to the same amount per, just received and for sale, for cash as they receive from the United States, and no more. The companies have sold to permanent supply of LANDRETH'S' justly celebrated investors about torty million dollars of their First Mortgage Bonds. The compenies have already paid in (including net earnings not devided, grants from State of California, and Sacramento city and San Francisco,) upwards of twenty-five multion dollars of capital stock:

WHAT IS THERE YET TO BE DOKE?

In considering this question it must be remembered that all the remaining iron to famb the road is contracted for, and the largest portion paid for and now delivered on the line of the Union Pacific Railroad and the Central Pacific Railroad, and that the grading is almost faith-

WHAT RESOURCES HAVE THE COMPANIES TO FINISH THE ROAD? 1st. They will receive from the Government BEATS; &c., &c. as the road progresses about \$9,000,000 addr 2d. They can issue their own First Mortgage

Bonds for about \$9,000,000 additional. 3d. The companies now hold almost all the and they have up to this time received from ne Government; upon the completion of the road they will have received in all 23,000,000 THILE subscriber has added to his constantly acres, which at \$1.50 per acre would be worth In addition to the above the net estaings of

could be called in to finish the road.

WAY BUSINESS-ACTUAL BARNINGS. No one has ever expressed a doubt that as soon as the road is completed its through business will be abundantly profitable. Gross earnings of the Union

Pacific Railroad Company for six months, ending January 1st, 1869, were up-\$3,000,000 wards of The earnings of the Central Pacifit Railroad, for six months, ending Jan. 1st,
