FIRST MORTGAGE BONDS

This great interprise is approaching drad and filty miles remain to be bed it is reasonably expected that the acction between San Francisco and New You will be completed by Juty 1.

As the amount of Government sid gives each to dependent upon the length of med shall built, both companies are broad great efforts to secure the construction and trol of what, when completed, will be one me the only good, Raikpad Line connecting Atlantic and Patien coests.

One Hundred and Ten Million Dollars money have pleasedy been expended by the Government lound it necessary to seeme construction of the Pacific Railroad, to develop and protect its own interest, it gave the comshould tonder ite epeedy completion berent, doubt. The Government aid may be beat summed up as followslut. The right of way and all necessary in

ber and stone from public domain. 2d. It makes a denation of 12,800 scres of land to the mile, which, when the road is can pleted, will amount to twenty-three million acres, and all of it within twenty miles of the mi-3J. It loans the companies fifty million del

lare, for which it takes a second lien. The Government has already lossed the Union Pacific Railmad twenty-tour milhon and Pacific Railroad seventeen million six bandred and forty-e ght thousand dollars, ambusting i all to forty-one million seven bundred and thousand dollars.

The companies are permitted to issue thek as they receive from the United States, and no more. The companies have sold to permanent investors about torty million dollars of then First Mortgage Bonds. The compenies have per, just received and for sale, for cash already paid in (including net earnings not de vided, grants from State of California, and Secramento city and San Francisco,) upwards el twenty-five midlion dollars of capital stock; WHAT IS THERE YET TO BE DOKE!

In considering this questice it must be remenbered that all the remaining iron to banh the road is contracted for, and the largest portion paid for and now delivered on the line of the Union Pacific Railroad and the Central Pacific Railroad, and that the grading is almost famb

WHAT RESOURCES HAVE THE COMPANIES TO FINISH THE RUAD? let. They will receive from the Coverament

2d. They can issue their own First Mortgage Bonds for about \$9,000,000 additional. 3d. The companies now hold almost all the and they have up to this time received from ne Government; upon the completion of the road they wall have received in all 23,000,000 acres, which at \$1.50 per acre would be worth \$84,500,000. In addition to the above the net earnings of

could be called in to finish the road. WAY'BUSINESS-ACTUAL BARNINGS. No one has ever expressed a doubt that at
