Saturday Morning, Dec, 4, 1869.

EASTON, MD.

S. M. Pettengill & Co.,

Bpscriptions for us at our Lowest Rales.

BUSINESS NOTICES.

heir regular line of business.

Postal Affairs.-The following notices in refer- who handle fire-arms. ence to mails, post offices, &c., are of interest to

from Federalsburg to Easton, (heretolore daily) a paper recording some attrocious murder of has been changed to a tri weekly and will ar- serious affray. But none strike us so forcibly laws of Science. Be it known to all, that rive at Easton at 10 o'clook, A. M., and leave as when they occur in our own State or immeeffort being made to get this route continued six disgraceful row, we suppose at some low grog. ness may be seen at Cristadoro's, 6 Aster House, N. times a week, but with what success is not yet ery in Queen Anne's county on Saturday night, York. known. Under the present regulations the taken from the Centreville Observer. We ven like a charm on the Halr after Dyeing. Try it. mails that arrive at and depart from Easton are ture to assert that it men would spend their leis. as follows and at the hours here stated : The ure moments with their tambies, instead of fre. Northern and Southern mail is conveyed on the quenting low and debased haunts their own Md. & Del. Rail Road six times a. week, and at- morals would be improved and the happiness rives at 4 o'olock, P. M. It is closed at 8 o' of the families increased: clock, A. M., and leaves at 9 o'clock. The SERIOUS AFFRAY. - A difficulty of probably a seri- tion of the blood becomes equalized upon the parts 'at 10. The St. Michaels and Bay Hundred Thomas Kennard, in which knives seem to have of a great help to those who have weak backs, or mail arrives at 9 o'clock, A. M., and leaves at seven in the head, one in the cheek, and three in those who have neglected colds. They are often 10 o'clock, A. M., and leaves at 101 o'clock. me will die. Dunning has a wound in the arm of he and been mainly instrumental in affecting a cure. very important nature. Dr. Parvis was summoned and been mainly instrumental in affecting a cure. of closing the mails and not put off mailing im-terday, and held in the sun of \$3,000 to answer to dec 4-1m

Description of the shoulders, or over the kidmails to leave-frequently putting the Post Master to double trouble, and running great risk of ter took place near Denton on Saturday or Frigetting them off. During the last few months day last, between Edward Pritchett, white, and meed not be. Dr. Tobias' Venetian Horse Liniment there has been considerable change in the postal a colored man, name not known. It appears that taken. The cost is only one dollar. Every owner affairs at the Easton office and it is necessary the colored man was a tenant of Mr. Pritchett's of a horse should have a bottle in his stable, ready that persons having mail matter to send off and was in the woods cutting wood at the time for the cure of Cuts, Wind Galls, Swellings, Sore the fracus occurred. It is reported that Pritchett Throat, Sprains, Bruises, Old Sores, &c. This Linguist and and approved of for 22 years by the first horsomen in the Whear-Whitesiness should buy his stamps, put them on his one of his hands was nearly severed from the country. Given to an over-driven horse, it acts letters himself and deposit them in the proper wrist with an axe. place in time. It looks like a very small request to ask a post master to stick on a stamp for you. THE TAX ON FARMERS.—The following let years. It is put up in Pint bottles. Sold by Drug- OATS-Well, one request of that kind in a day or a ter from the Commissioner of Internal Revenue Bepot 10 Park Place, N. Y. [dec 4 lm week would be very moderate, but it ought to addressed to General Daniel Woodall, Assessor be remembered that when it reaches from one to United States Internal Revenue, is published two bundred in a day, that it is no small job and for the information of all concerned: toterferes very materially with the other duties! of the office.

WHO WOULD BELIEVE IT .- We have no doubt ers who go to market regularly twice a week and sons of either sex easily earn from 60c. to \$5 per there are large numbers of persons who go to market at any place ther can find, not already ocen whole time to the husiness. Boys and girls earn large A. Brindle, John Q. Larremore and Mrs.

Thursday, December 16th, our post effice day after day, that have but litpied, should be regarded as produce brokers, and repied, should be regarded as produce done or the number of letters that pass through their produce at the place of production, or in the not well satisfied, we will send \$1 to pay for the on delivery. In order to give some idea of the manner of peddlers, but seiling at the market places .rouble of writing. Full particulars, a valuable samcorrespondence in this section, we give the fol- every time, is not selling in the manner of a pedler. of The People's Literary Companion-one of the Dr. Mitchell, Spencer Douglas, Esq., of New lowing figures, which is a low estimate, as last ket place and selling in the manner above indicated, profitable work, and response to the dullest one of the year.—

The farmer who is in the habit of going to the market family newspapers published—all sent free by mail. Reader, if you want permanent, profitable work, address

CRUIKSHARK—CR timated as single letters, 89,128. Number sent from this office 69,684. The number received Daniel Woodall, Assessor, Wilmington, Del. for delivery is much larger than sent off. For This may do very well in cities where marketing the system, and purges out the humors that mak discounty, Md. received by the steamers have to be deposited but in small country towns, where but little is brought by each person, it appears to us that it will an the post office, while those sent by the fall very heavily and be the means of driving off steamboats are not A great many letters are great many who now bring in their produce. received here 'oo by travelers-business men of Wizzen's Oil and Music.-On Thursday last a wathe cities, who are frequently here a day or two gon, drawn by four very stylish iron gray horses, It soon becomes evident to the observer that some Neal, Esq., of Baltimore. at a sime.
