Democratic party, but really we have such ad- contemptible means. miration for its tact and smartness that we so metimes cease to condemn its principles, and forget 10 blame its acts. Certainty there never was a party of such shrewdness in political management. What we now refer to particularly is, the lacility with which it can shift its position, and change its opinious, and its wenderful capabling while doing so, of making its adherents believe that no change has taken place .-It is not only able to change positions, but to exchange them. It not only can get out of its own place, but can get into the place of the other party, and then make its members believe that which it has just forsaken was always the tion of himself and friends that the colored man ways in the drawer, bandy. in Maryland owes whatever recognition as a fre man he now enjoys, and all the civil rights and privileges he now possesses as well as his ex- Messrs. T. Allcock & Co. goes so far as to denominate the "black code," it cured ber in one week. Yours truly, to the Democratic party, while the Pepublicans the colored mans interests. The impudence must have sold twenty-five thousand altogether .and boldness with which this is asserted con. They are well liked. founds us. All argument is silenced. Memory

stitutional Amendment. This amendment will keeps through a small section of country, many tak can afford to smile benignantly at the copying of ings. Sere Throats, etc. their styles of thought, and the aping of their Place, N. Y. Sold by Druggists. Depot 10 Park dress (jan 16-lm in a modes of conduct. This is certainly a sign of capability of improvement, whereas many of us THE CONSTITUTION OVERTHROWN had thought the Democratic party so conservative as to be incapable of change. The power of the Constitution and Health may be ruined by a imitation is, a poor order of intelligence, but it is in the market. "Not a Dye" may be the motto of any machine in the market; a child can use it; it rebetter than brute inertia, and even in morals it such nostrums, but a DID may be the result of using quires no instructions; it makes no noise; it does not get out of order; it can be carried in the pocket; it is better to do right by copying others, irrespective of any high moral principle, than not to do right at all:

PUOCEEDINGS OF CONGRESS .- In the Senate on Wedneshay, a large number of memorials Prof. Chilton, and his certificate of its wholesomewere presented in lavor of abolishing the frank. ness may be seen at Cristadoro's, 6 Astor House, N. ing privilege. On this subject a lively debate Cristadoro's Hair Preservative, as a Dressing, acts ensued, after which the bill to admit Virginia like a charm on the Hair after Dyeing. Try it. was again called up. An amendment was adopted by yeas 48, nays 16, prescribing that the outh in the third section of the fourteenth amend ment shall be taken by the members of the goods. None but good and reliable men wanted who Legislature and the State officers before they A fortune of 25 100 gearanteed to a man of the enter upon their duties. After further consider ation of the bill, the Senate adjourned.

In the House a resolution to adjourn Congress on the second Tuesday of April was deleated by a vote of 87 to 74. A joint resolution was adopted declairing that the meaning of the pres | be greatest value. ant income tax law is that all incomes accruing during the present year must be levied and paid, and that so much of the said tax remaining un! raid on the 1st of January of 1871, shall be pared to farnish all classes with constant employ-This is in accordance with the decision of the evening, and a proportional sum by devoting their internal revenue commissioner recently made.—

whole time to the business. Boys and girls earn whole time to the business. Boys and girls earn nearly as much as men. That all who see this none much as men. That the war of 1812, the Mexican war, the navy invalid and navy pensions of widows, etc.
