BUSINESS NOTICES.

neir regular line of business.

OF THE Star of Tuesday has an article of some three quarters of a column in reference to the suffrage question—how the Democratic par ty shall secure the votes of the colored voters. &c., prefaced by the following paragraph .

"We do not exactly understand the position of the Gazette on the negro suffrage and negro equali- Legislature sho Remains Republican. ity question by reading its article of Saturday."

ler to a brother member of the opposite party, terest to the public, we make the following ex a few days ago, by telling him to "shoo dy. tract from the Annapoles correspondent of the don't bodder me,"-but will quote from the edi Baltimore Sun of Tuesday last, which refers to a few weeks, by a very simple remedy, after having delicious food in the world. ready explained to the public our position in reference to the colored population and social e quality-quite as well as we could possibly do t. For in speaking of the habits and desires of tion of acquirescence in the fifteen or safrage a. tions for preparing and saing the same, which they the colored man, the Star says:

"He had much rather worship in his own church | this and the end of the session now drawing so near than to worship with the whites in their churches. It is not at all probable that the session will be seed be hopes every sufferer will try his remedy, as it He infinitely trefers to educate his children in his fered to glide by without the State putting I self in will cost them nothing, and may prove a blessing. own schools rather than have them mixed with the a position to avoid trouble upon this question. The white children in their schools. 'He then freters to disposition of the Legislature, so far as it is possible dress deal at stores patronized mostly by negroes, or at hours when he thinks it not likely that many whites dence in its conservati m. will be about. These are innocent prejudices was submitted by Mr. Loker, chairman of the com-

fourths" blacks. It is here clearly shown that select committee of nine be appointed in its stead. | makes an elegant present. social equality need not be even dreamed of- Mr. Loker recommended that Mr. Gatch, of Baltifor should the white Republicans desire it, the committe, a position in the present juncture of polici colored members of he party so much preter cal affairs requiring tact and faculty. The Speekbeing to themselves and outstripping the whiter | mendation, and, with Mr. Gatch as chairman, conin numbers, there would not be the least shadow stituted the committee as follows: Mitchell, of of chance to put it into practice.

been added the queery;-Can a Congressman chairman and Mr. Colton, of Baltimore city, and it To Agents to sell the celebrated WILSON withdraw his resignation? J. S. Golladt, is believed is on the whole conservative and calon- SEWING MACHINES. The best machine lated to face the music. 1:te Representative of the third Kentucky Distance the music.

The chairman of the committee has already retrict, having resigned his seat in consequence ceived a large number of communications from large without money. For further passicular, address 25 N. 9th St. Philadelphia. Pa: of his connection with the sales, of cadetships, the registration law and opinions are invited in oris the subject of the new mooted point. His der to have the best light possible thrown spon the Governor will not accept his resignation, likely to receive consideration are the following: Gollady had informed the Democrate of his for registration in the counties, and to give nine In his despair-Gullady appealed to the Speaker quiring publication of the registration lists in of the House, who referred the conundrum to the newspapers, and authorizing the offices of registhe Judiciary Committee, who are asked to ers for the preservation of order in the counties rying on the above business, hereby give no decide whether a M. C. can resign his seat when accessary. The new committee, it must be understood, has not held a meeting or considered any ORNAMENTAL PLASTERING and all No. 10 N.
