COMMON EVENTS OF LIFE .- Of old times Michael Angelo took his copies from the persons in the streets, and wrought them out on the walls and the ceilings of the Vatican, changing a beg-For often I've caught, in the time of sleep, gar into a giant, and an ordinary woman who bore a basket of flowers on her arm into an angel; and the beggar and flower girl stand their new in their fustrous beauty, speaking to eyes that wonder from every side of the wide world. The rock slumbered in the mountain, and he reached out his band and took it; and gathered the stones from the field about him and built. them into that awful pile, which covering acres on the ground reaches up to its - mighty dome toward beaven, constraining the mob of the city to bow their forbeads, and to vow great prayers to God. So, out the common events of life, out of the passions put by God into your heart, you may point on the walls of your life the farest figures -angles and phrophets. Out of the common stones of your daily work, you may build yourself a temple which shall shelter your head from harm, and bring down upon you the inscription of God.

SPECULATIONS .- While a minister of my acquantance was nding in a rail way carriage, he was saluted by a member f an exceedingly litigious and speculalive sect. "Pray, sir," said the secretay, "what is your opinion of the seven trumpets?" "I am not sure," said the preacher, "that I understand your question, but I hode you will comprehend mine: What thick you of the fact that your seven children are growing up without God and without hope? You have a Bible-reading in your house for . your neighbors, but no lamily prayers Marriageiz a fair transaction on the lor your children." The nail was fastened in a sure place, and enough candor It iz an old institushon, older than the of mind remained in the professor to entiens who are given to speculate upon the prophecies would turn their thoughts thick and thin, up hills and down, and whom we are surrounded, and sow in on the level rain or shine, survive or the fields of evangelization rather than in the cloudland of guess work interpreta-
