raising an equal amount of FOR eight years I have made the treatwater, and coeting less than I ment of Consumption (Lung and balt the money. Easily ar- Bronchial) a speciality, and beliere that ranged so as to be non-free | 1 can arrest any case of this formidable ing and in construction so simple the disease (however far it may have adany one can put it up and keepit in repair vanced) in from Six to Twelve weeks. After thorough trial it is acknowled I do not propose to supply new lungs, nor any large amount of new lung tissue, to a patient; but I do propose to prevent farther progress of the disease, to leave the system in that improved condition, that Robust Health may be speedily teestablished. The first case of Consumption which it was my good fortune to successfully treat was of a young lady in 1861. In the vears 1862 and 3 I had charge of Hospitals Nos. 2, 3 and 15. Nashville, Tenn., and of the many cases which came under my treatment there, not one resulted fatally. In 1864 I was Mayor and Health Officer of the city of Natchez; Miss., also Surgeon of the 28th Illinois Intantry, and in prescribing for this disease, good health succeeded in THE LARGEST STABLES ONTHE 3 ORF every instance. In 1865 1 removed to Milwaukee, Wisconsin, to superintend the general United States hospital, and of the twenty or more cases which I there 'e administered to, I was entirely successe tul. The same results have attended my practice during subsequent years, and ! candidly believe that no case exists, bow.
