THERE.

In the land of deathless beauty Where no shadow dims the view, There are many shining mansions Waiting for the kind and rue.

There no chilling words are spoken, There no bitter tears are shed; There no heart is sad and lonely, Mourning for its dear ones fled !

There is still the long, dull aching, All the strife and sorrow past; Eager, auxious hopes and longings Full fruition find at last !

There we shall find the answe: To the question : What is truth? There for fading, falling blossoms,
