The frost of age was on her brow, Its dimness in her eye, and her bent figure to and fro Walley Daniel W Woolford Abrain Rocked all unconsciously. Washington Geo WWrightson Robert The frost of age was on her brow, Yet garrulous her tongue

As she compared the doings now

With those when she was young. Williams Henry Wells John Thomas "When I was young, young girls were meek, And looked round kind of sky; And when they were compelled to speak, Williams Samuel H | They did so modestly. Williams Solomon Waters Dan Wesley "They staid at home, and did the work,

And sometimes evening meeting. "The children were obedient then, And had no saucy hire, But minded what their mothers said, And learned to say their prayers. LIST OF DEATHS & REMOVALS

Made Indian bread and wheaten,

And only went tosinging-school,

"Young women now go flirting round, Of Election Distric No. 1, whose names And looking out for beaux, have been stricken from the list of qualts And scarcely one in ten is found Who makes or mends ber clothes. fied voters, in pursuance of Section 9 of "When I was young, if a man failed, He shut up house and hall, And never ventured out till night,

Arringdale Eugene Rr Allen Wm Hr If he ventured out at all. "His wife sold all her shiny plates, His sons came home from college; Benny James W d Booker Myres r His girls left school, and learned to wash And bake, and suck like knowledge. "They gave up cakes and pumpkin pies,

And had the plainest cating, And never asked folks home to tea, And scarcely went to meeting. "But nowadays, when a merchant fails, They say he makes a penny, His wife don't have a gown the less! His daughters, just as many.

"His sons they smoke their choice cigars, And drink their costly wine; And she goes to the opera And has friends to dine. "He walks the street, he drives his gig,

Men show him all civilties. And what in my days was called 'debts' Are now called 'liabilities.' Kennerd Philemon T'd Kenney Wesley "They call the man unfortunate Lane Richard Cr Whoruins half a city;

In my days, 'twas his creditors To whom we gare the pity. It had no other name; And when 'twas proved against a man,

He had to bear the blame. Parrott Thes of Pd "They called the man who stole, 'a thief," And wasted no fine feeling; What folks call 'petit larcency' now In my days was called 'stealing.'

"They did not make a reprobate The theme of song and story, Saulsbbry Wm Hr As if, the bloodier were his hand, The brighter was his glory."

Turner Chas W r Edgar Asheroft's Bad Luck.

Willis Chas r streets at an unusually early hour in the health and strength visibly improved .-Woodland S Wer morning; for in general he was given to This surprised him, as he was occupied late evening hours, and getting up in the with office work during the day. morning whenever he telt like it. He did "I declare, Holden," he said one day, This is to certify that, the aforegeing not pause until he reached the door of a "I've gained fitteen pounds in the last is a correct list of the Registered voters of plain brick house in a quiet street. Ring. three months." Election District No. 1, of Talbot coun- ing the bell rather excitedly, he inquired "Work seems to agree with you, Asha ly, whose names have been stricken from of the servant who answered his sum-crolt," was the reply.

the list of qualified voters at the registra- mons: tion just made; and also a correct list of . 'Is your master in?'

qualified voters of said election district, 'Hand him my card, and ask him if be time." registered by me at the registration just The servant quietly re-appeared with constitution than hard work." will not see me.' the request that Edgar would follow her Registor Dis. No. 1. THE LATEST STYLES into her master's presence.

1870 FASHIONS. 1871. of business documents, which he had closed, a valuable assistant to his friend brought home for examination, his busi Holden.

'I wish it wasn't, but it is." Well, how has it turned out?" The shares are selling for five dollars. where I paid a hundred.' How many have you?"

Five hundred. That is I invested fif |. ty thousand dollars, and I could only sell; out for twenty five hundred to-day. ·Sell out,' said Holden, laconically. ·What! and sacrifice nineteen-twentieths ol my fortune?"

Better than the whole." But don't you think it is worth any. 'Not a cent.'

and VIRGINIAS' There are some good mines there. True, but this was got up by swindl. Do as I do then.

> But,' said Edgar, 'I have neve: been you have any proposition to make me brought up to work.

Everybody ought to do something." TWEEDS, CASSINETS and JANES.

'I should think it might be. You turn Mr. Bullion. and RED POPLINS. hours at parties, soirees, and theatres are sad, "but my salary is only twelve hum enough to undermine any constitution dred dollars a year, and me tortune We have just opened a large and when carried to the excess you are car. reduced to twenty five bundred dollars

rying them.t Do you really think that?" I never thought of that. Perhaps you l'il see that you have enough to kee, Yes, I do.' may be right, but if I were able, what the pot boiling."

could I do? Whe would engage me as ·How would you like to lollow my pros parmership by his triend Helden, and

Of course it is. Anybody thatexre to succeed in any profession must look forward to hard work."

·Would you recommend i? 'I would reccommend you to fig it. -I'll tell you what I'd do. I'. eugage you as my office clerk, and par you fitif dollars a month. That will te all . " will earn the first year, perhaps mir. but I agree to give it. Then you cansell out your snares and get aetund ed and fifty dollars annual interest un what is lett. That will give you ever Lundred and filty dollars a rear income. 'How can I live on that' assed i. i-

gar in dismay. 'I assure you my tail bills amount to nearly that." .Ther you must change your tailer. In fact you must charge your planel it You must drop the man of lashed and become a steady going cierk.

It will be trard,' said the young mar. his expression indicating a mental strug-But it is necessary. Then again,

consider that it is only for a time. Il you work with energy you will scon command a good income. I am willing to extend every assistance in my power, and upon you must depend the rest .--What do you say?' You really think my health wiil allow of the necessary labor?"

'Then I will make up my mind to it.' 'Come in next Monday. Meantime make the needful arrangements.' So I am going to be a lawyer,' thought Edgar Ashcro!t, as he ielt his friend's

"If any one had told me that a month ago, I should have pronounced him insane. Well, eircumstances alter cases. that is certain. What will my lashiona-

ble friends say?" This was, alter all, the greatest trial to Edger. The subside from the position vi a man of tashion to a humdrum clerk it. the office of a real estate lawyer seemed to nim a great descent, though in the view of right thinking people it will be. regs :-

ded as an ascent. In a weak the change was made. Ed ger realized the sum he expected on his mining shares, and invested it in substanlital bank-shates, which yielded him a cet income of one hundred and seventy-live "When I was young, crime then was crime-dollars a year, Upon this and his salary he must live. Considerably against his will, he took quarters in a comfortable bu: moderate priced boarding bouse, and be-

gun life on a new footing. As he anticipated there was considerable talk about his change of fortune, ar most of his fashionable acquaintanc torgo' to include him in their future it ritations, while some whom he had

known intimately appeared to forgel that they had ever knew him. This troubled him considerably at first, but there was one good effect resulting. Not being invited to parties, he no longer Elgar Asheroft hurried through the had occasion to keep late hours, and his

"I feel stronger than I used to."

"I told you how it would be." "But I did not believe you at that "Late hours are more trying to any

"So I begin to find it." Just at first, Edger found his office

Edgar Ashcroft was ushered into a work a task; but soon it began to pleasant sitting room, where his triend pleasant. He became interested in the Charles Holden, a sedate man, at least profession he had chosen, and as he was ten years older than himselt, was seated by no means deficient in natural taient at a table on which rested a small trunk or education, he became, before the year

JOHN SATTERFIELD, hour, Ashcrolif' asked the lawyer in sur "Edger, if you have no objection, I Bad news,' said Edgar, thrusting his "Thank you, Holden, but I don't

selt very valuable to me, and have tull for the Fall and Winter of 1870, just You remember I consulted you three mastered the routine of noix in the otreceived. The styles are perfectly charms months ago about investing my money fice.". ing. Hopes all his old friends, and a in a copper mine somewhere up in the "Then I will accept it glad'y for though

So the arrangements was made. 00- A handsome Plate of Fashions for was fool enough to be dazzled by the One day Edger met in the street M: youths and boys just received. Cutting brilliant promises of the directors; and the Bullion, a "heavy" man in the parlandone with the same care as it he was to long and short of it is, I invested my en, of the street, and president of one of the He tried to avoid him, having two

lyears before proposed for the hand of Miss Fanny Bullin, and, though favorled by the young lady, had, been unceremoniously rejected by the lather. But to his surprise. Mr. Bullion advanced to him, and said cordially. "How do you do, Mr. Ashcrott?" "Very well, thank you," said Edger, rather embarrassed.

"Come around to the house. We shall be glad to see you." Edgar's face beirayed his surprise. "I'll tell you a sectet, young man .-Two years ago I refused your suit to my daughter. Shall I tell you why?"

"If you please, sir." "Because I saw you were a mere mar ers, to cheat the confiding public of their of tashion, doing nothing useful, sure to money. It will go down to nothing.' | run out of money at last, and with no o. But twenty fire hundred dollars won't cupation to fall back upon. You last support me,' said Asherost in dismay. | your money sooner than I expected; but to my surprise, you have acted like a sensible man. I bear good reports et Earn your living by your own exer- your talent and industry. Come to my house whenever you like, and, if eter

Il will take it into consideraition." Edger needed no second invitation .-But consider my delicate health. My he made an early call, and found that constitution is very weat, I can assure Fanny Bullion's heart was his. ().1-
