and red, which we are offering at a pects."

Seleget Poletriff CORASONG.

BY JOHN D. WHITTIER.

Heap high the farmer's wintry hoard; Heap high the golden corn; No richer gift has Autumn poured From out ber lavish born.

Let other lands exulting glean The apple from the pine;-The orange from its glossy green, The cluster from the vine.

We better love the hardy gift Our rugged vales bestow, To cheer us when the storm shall drift Our harvest fields with spow.

Easton, when not professionally engaged.

Messages left at the office of the Easton While on the hills the sun and showers Of changeful April played. We dropped the seed o'er hill and plain,

Beneath the sun of May,

And frig tened from our sprouting grain The robber crows away. Its leaves grew bright and fair, And waved in bot midsummer noon,

Its soft and yellow bair. And now with Autumn's moonlit eyes, Its harvest time has come, ATTOMET ATTOME And bear its treasure bome.

And knead its meal of gold.

Let rapid idlers tolt in silk, (1 11 () 1 Around the tostly board; Give us the bowl of samp and milk, By homespun beauty poured.

Let earth withhold ber goodly root, Let mildew blight the rye; Give to the worm the orchard's fruit, And wheat fields to the fly.

- [mar 9-1 y | Still let un for His golden corn Send up our thanks to God.

Edith Sinclair's Mistake.

Les, he added, slow I and I date say she will make excellent back to the door, while I go into the part to the solved is, what shall it ell is the care that she has every far location and encouraging rather.

It is almost impossible to get a horse oin "My Dear Cossis—I write you, at papa's required, to say that he has been elevated to the position of a member of the school committee, and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and the duty of selecting a teacher her, and it is uncertain how the affair coming now. the position of a memori of a teacher her, and it is uncertain how the affair coming now. Don't say a word,' and swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and vainly trying to get a times helps herself, and don't use scie- fing should not be pared—not a particle swimming and the still the swimming and the still the swimming and the swimming mittee, and the day trying to get a fines helps hersell, and don't use scisting should not be pared—not a particle with a gesture of warning, Leander dissafe place, but there was no place for the sors.

What a gipsy you are, Ecith? I pity appeared. to attend to the matter. Therefore, he wish the man who marries you. He will Edith laid aside her hat in the hall. Adams street bridge it was partly con-her head that the devil was in her, and will be dry and hard as a chip. You do not be the man who marries you. He will be dry and hard as a chip. You would be made to write to you, to ask if you would her head that the devil was in her, and will be dry and hard as a chip. You would have no peace in his lite.' ome yourself. We shall be glad to have you stop with us during your stay here, and will try to make you as comfortable as possible. I shall enjoy your company very decision?

It. As the centre was reached the time decided never to marry.

A country tellow came to the city to bers gave way and horses and carriage where he was, and placing her hands over his eyes, she said, in a lively to make you as comfortable as possible. I shall enjoy your company very decision? ore. sible. I shall enjoy your company very much, and I hope for a favorable snawer to this letter.

"Pa and ma desire to be remembered to will, perhaps, remind you of this result in the fatter will held a dozen children around you, likewise your humble servant sends ber you, likewise your humble servant sends ber you, likewise your humble servant sends ber you."

"I am content to have you do so, provided you will wait till you see me in lace was a deep crimson, as Ernest at one place the flames made as almost under them; but our lime could think of nothing to say. At last a great good began falling, and long time could think of nothing to say. At last a great good began falling, and state and although we were very nearly over and although we were very nearly over turned and terribly shaken, we passed on safely until we reached the late but into a stranger in such a manner. Her vided you will wait till you see me in lace was a deep crimson, as Ernest At one place the flames made as almost under them; but our lime could think of nothing to say. At last a great good began falling, and long time could think of nothing to say. At last a great good began falling, and state a great good began falling, and story over a flat better. It will perhaps, remind you of this result upon the foot to burn it level. It last a great good began falling, and state good began falling, and last a great good began fal
