Amusements.

HOLLIDAY STREET THEATRE.—The great dramas of the *Wild Huntress* and the *Avenging Son*, will constitute the attraction at this popular place of resort this evening, the gifted actress, Miss Lucille Western, appearing as Miami, and Mr. Tilton as Poynet Arden, supported by the entire company.—There is no end to the attraction nightly presented and the result is crowded audiences.

FRONT STREET THEATRE.—This magnificent temple of Thespis will be opened to the public for a season, commencing on Thursday evening, with the favorite Baltimore comedian, Mr. John E. Owens, whose engagement is but for a few nights, and who will be supported by a well selected stock company—in fact, one of the best, we are assured, which has ever, at any time, appeared in this city. Among these we can enumerate Miss Charlotte Thompson, the young, gifted and versatile actress, who won so much favor in this city a few years ago while playing a "star" engagement at the Holliday street; Miss Julia Nelson, Mrs. A. Hind, Miss Ellie Vernon, Messrs. R. S. Meldrum, H. B. Phillips, T. Owens, T. J. Hinds and others. The pieces which Mr. Owens will appear in on Thursday night, are the "Heir-at-Law" and "Timothy Toodles," two pieces well calculated to display the immense comic strength of the fine company.

BALTIMORE MUSEUM.—There is to be an extraordinary jubilee at the *Museum* to night, as it is the occasion of the *one hundredth* appearance of the famous Kunkel's Troupe. Those who have ladies to attend to, should secure their seats during the day, and even those who have not, and wish comfortable seats, should be in attendance at an early hour. The entire building will be illuminated. The prices will remain as usual.

WYMAN, THE PRESTIDIGITATEUR.—Professor Wyman will submit to the public, on Monday evening next, at his Parthenon, (Temperance Temple,) a number of feats of Prestidigitation, Necromancy and Ventriloquism never before known to the people of Baltimore. He has adopted the suggestion of many of our citizens, and will charge the popular price of admission—25 cents.

Monetary and Commercial Intelligence.

BALTIMORE, December 17, 1861.

There was nothing done at the Stock Board to-day, and there is evidently very little disposition among parties here to operate in stocks at present. The leading securities were however quite as strong as on yesterday. Baltimore and Ohio Railroad was firmer, $45 being bid for it, which is an advance of $2 on the price bid yesterday. Northern Central was offered at $17¾, but no bid was made for it. Northern Central bonds closed as on yesterday at 60 bid, 61 asked for 1885's; and Baltimore and Ohio bonds left off at 80 bid for 1867's, 75 bid for 1875's, 70 asked for 1885's, and 48¾ asked for 1902's, the extra-dividend bonds. Baltimore City 6's were firm, 1875's closing at 80 bid, 86½ asked dividend on; 1886's at 83 bid ex-dividend, and 1890's at 85¾ bid, 86 asked ex-dividend. Maryland 6's closed at 89 bid, 90 asked ex-dividend for 1890's. For Baltimore Gas Co. $100 was bid again to-day, and Canton Co. closed at 39¾ bid. Bank stocks continue pretty firm. A dividend of 20 cts. per share was declared yesterday on the stock of the Springfield Mining Co., and it closed to-day at $1.50 bid, $1.65 asked ex-dividend.

A telegram from New York this morning announced the suspension of specie payments by the New York Banks, doubtless with a view to prevent the sending of funds out of the country, which was being done to a considerable extent, as the transactions in Exchange there yesterday indicate. This can have no material effect upon financial affairs here, as it is well known that our banks are, and have been for many months past, in a state of suspension.

Stocks generally were firmer in New York to-day. Virginia 6's advanced 1½ per cent; North Carolina 6's 2 per cent; Erie $1¼; New York Central ¼, and Reading $2. Missouri and Tennessee 6's closed at the same figure as on yesterday, but Canton declined ¼. The market closed steady at both boards.

The New York *Post* of Monday afternoon says:

Wall street is very excited over the foreign news by the Europa. Stocks opened before the board at a heavy decline—as much as 7 and 8 per cent. In some description. New York Central before the board sold freely at 76 and afterwards went down to 75¾, finally closing excited at 75¾, a fall of 2¾ per cent. from the best price of Saturday. Pacific Mail and Panama were among the sensitive of the list, especially the former, the price of which is governed almost entirely by the excited fears of holders. Most of the sales in Pacific Mail were at 88, and Panama 108. These stocks stood on Saturday at 88 and 113¾ respectively. It is difficult to say at the present writing what effect the English news may have on the money market. That uneasiness already prevails is to be expected. The ramifications of the sudden fall in stocks, and the rise in foreign exchange are so wide-spread and perplexing, that it is not easy to calculate what course the market will take at a juncture when calm and deliberate judgment is in the highest degree desirable.

The New York *Herald* of Saturday says:

The stock market gave way to panic at the opening this morning in consequence of the warlike news from Europe. Government 6's fell 2 per cent., and State stocks about as much. Pacific Mail fell 8 per cent., and Panama 7. All the railway shares were similarly affected. New York Central fell 3, Erie 4, Erie preferred 5, Reading 3, Hudson 3¾, Michigan Central 6, Toledo 4¾, Illinois Central 2, Burlington and Quincy 6¾. After the first board a rally took place, and everything was better in the afternoon, the leading stocks reaching about 1@1¾ per cent. A leading bank in this city has this day ceased to pay specie, except in small sums, and then only to its regular customers. It was expected that all the banks, both of this city and of Boston and Philadelphia, would have suspended to-day. It was known to be the opinion of leading financiers that they must suspend within a few days, and many bank presidents had openly stated—what indeed every one can see to be true—that if suspension was inevitable the sooner it came the better.

The following is the statement of the New York banks as compared with those of the previous week:

BALTIMORE MARKETS.

TUESDAY, December, 17.

COFFEE.—There were sales yesterday after we left the market of about 100 bags Rio Coffee at 19 cts., and 225 bags do. at 19 cts., both net cash, the latter being the highest figure yet obtained for it. There is a stock of some 15,000 bags Rio Coffee here, but only a small lot of it offering, and for such lots as are to be had 19@20 cts. is generally asked. We quote Laguayra nominal at 21@22 cts., and Java do. at 23 cts. per lb., but there is very little of either description here.

FLOUR.—The Flour market was quiet this morning, but for all descriptions holders were steady at yesterday's figures. We heard on Change of a sale of 200 bbls. common Howard Street Super at $5.50, but good brands were held as on yesterday, at $5.62½ per bbl. Nothing was done in Ohio or City Mills Super, but we quote the former at $5.50@5.62½, and the latter at $5.25@5.37½ at $6 for good shipping brands Ohio and Howard Street, and $6.25@6.50 per bbl. for City Mills.

FAMILY FLOUR.—Family Flour is still selling by the dray load to the trade at $6.25 for the best brands Baltimore, $6 50@7 for Ohio and Howard Street, and Baltimore high grade Extra is bringing $7.75 per bbl.

RYE FLOUR AND CORN MEAL.—Rye Flour is firm at $4.37½@4.50, and we quote Corn Meal steady $3.20@3.25 per bbl. for both Baltimore and Brandywine.

GRAIN.—The receipts of Grain to-day were light as compared with those of yesterday, and for all varieties the market was rather quiet. Prices were however pretty well maintained. Wheat, of which there were only about 7,000 bushels at market, sold at from 123 to 135 cts. for fair to prime red; 110@115 cts. for common white; 130@135 cts. for fair do.; 140@145 cts. for good do.; and 150@155 cts. for prime and choice do. Corn continues to arrive pretty freely, and there were some 22,000 bushels at market to-day. Yellow sold at 56@62 cts. for new, 65@66 cts. for old; and white at from 57 to 62 cts. for new, and 70@73 cts. for old. There were some 500 bushels Rye offered but no sales were reported. We quote Maryland at 55@65 cts.; and Pennsylvania at 75 cts. per bushel. Oats were a shade lower to-day. Maryland selling at 40@42 cts; and Pennsylvania at 43@45 cts. per bushel. There were some 10,000 bushels offered, but only a part of them were sold.

MOLASSES.—There is some inquiry for Molasses, but we hear of no sales. The market for it is firm, but we still quote as follows, viz: Cuba at 23@25 cts. for tarred, 28@32 cts. for sweet do., and 33@35 cts. for Muscovado; English Island at 32@40 cts.; Porto Rico at 34@44 cts.; and New Orleans at 46@50 cts. per gallon four months.

PROVISIONS.—Provisions remain quiet, and quotations are in a great degree nominal. There is a little inquiry for Bacon, but it is selling only in small lots. We quote as follows, viz: Shoulders at 4¾@4¾ cts., Sides at 6¾@6¾ cts., and Hams at from 9 to 10 cts. per lb. There is no Bulk Meat selling and we can give no quotations for it. Lard may be quoted at 8¾@9 cts. for City and Western. We notice a sale to-day of 100 bbls. Western Leaf at 9 cts. Baltimore packed Beef is selling at $12@12.50 for No 1, and $10 per bbl. for Mess, and we quote Western Mess at $12.50@13.50 per bbl. Mess Pork ranges in price at from $12 to $13.50 per bbl., as to quality, and we quote Prime do. at $10@11, and Rump do. at $8@9 per bbl.

RICE.—There is a little Rice here, and it is held firmly at 7¾ cts net. There is however very little demand for it.

SALT.—Liverpool Salt is in fair demand, and steady at the following rates, viz: 105@110 cts. for Ground Alum, and 155@160 cts. per sack for Marshall's, Worthington's and Jeffrey & Darcy's fine. Turks Island do is still selling from store at 25 cts. per bushel. There were 7,500 sacks Liverpool and 1,499 bushels Turks Island Salt received here yesterday.

SEEDS.—Grass Seeds are quiet and the market for them is rather heavy. We quote Clover as ranging from $4 37½ to $4.75, the latter figure being however only obtainable for some lots, and Timothy at $2@2.25 per bushel. Flaxseed is still bringing $1.65@1 75 per bushel.

SUGARS.—Sugars are in demand and the market for them is buoyant and firm. There were sales yesterday of 1,500 bags Pernambuco for refining at $8 less 3 per cent., and of 100 hhds. Porto Rico in lots at $8.75@9 net cash, but to day we have heard of no sales. We quote as follows, viz: Cuba at $8@8.25 for refining, and $8.50@9.25 for grocery grades; English Island at $8 or 8.50; Porto Rico and New Orleans at $8.50@9.75; and Manilla and Permambuco at $8@8.25.

REFINED SUGARS.—For Refined Sugars the rates are as follows, viz: 11¼@11¾ cts. for loaf, 11@11¼ cts. for crushed, powdered and granulated; 10½@10¾ cts. for soft crushed white; and 9¾@10 cts. per lb. for O yellow.

WHISKEY.—Whiskey is quiet to day, and the market for it is hardly as firm in tone as it was. We have heard of no sales but we quote it at 22¾@23¼ cts. for both City and Ohio.

TREGO'S
CEREAL AND PLANT FOOD
AND
RUST PREVENTIVE,
TESTED AND APPROVED BY
DAVID STEWART, M. D.
CHEMIST
MARYLAND STATE AGRICULTURAL SOCIETY.
SOLD BY
V. MALCOM & CO., General Agents,
BALTIMORE.

This Compound contains all the SEVEN ELEMENTS that compose CEREAL and PLANT FOOD. It hastens, by ten to twelve days, the maturity of the Plant and Grain, and adapts to crops requiring an early and vigorous start to bring them forward. For late seeding (especially upon Corn grounds) where the soil plant food has been rapidly removed by the previous crop, it SECURES THE WHEAT FROM RUST and insures a good yield of the best quality of Grain.

We submit the following results of the use of the "Plant Food:"

FORT PANN, Del., Sept. 7, 1861.

Messrs. TREGO & SON, Baltimore—The "PLANT FOOD" spread this spring both late and at the experimental farm at St. John's College, Annapolis, doubled, and I think, trebled (as the weights will prove) my product of both grain and straw. There was no doubt about that. No marks nor stakes were required at any period, the dark green color, the *stooling* of the grain, giving the *appearance* of double the number of plants from the same number of seed; the earlier ripening or maturity of the crop where the PLANT FOOD was applied; the stoutness and height of the plant and the straw, all told the same story, where was deficient. No other reason could possibly be assigned, as the crop was sown and harrowed in *before* the manure was spread as a top dressing.

Yours respectfully,
DAVID STEWART,
Professor of Agricultural Chemistry.

NORTH EAST, Md., Sept. 5, 1861.

Messrs. WM. TREGO & SON, Baltimore—

I applied the "PLANT FOOD" at the rate of one to two hundred the per acre on Oats ground last spring, and the crop was very good, fully up to my expectations. I also applied it to Corn in the hill, putting in a very small quantity in each hill, the Corn started and has kept ahead of that on the side of it, which was manured with ashes in the hill.

From the little experience I have had with it, I think it preferable to Guano or bone-dust—and shall so recommend it.

Yours respectfully, RUSSELL THOMAS.

The PLANT FOOD is put up in substantial bags of 150 lbs each.
