THE ARMOURER OF MUNSTER. A PAGE FROM THE HISTORY OF FANATICISM. (Continued.)

VII.—THE SORTIE. The sun had scarcely risen the next morning,) when the wild beat of the drum summoned the levelled. population to the market-place. The signal was) not to be misunderstood, and it was obered with the drum, and hastened to the forge. Elise was hallow high above high above high a both and a starting to the starting form. already there. In a few minutes the apprentices

followed, and then Klara, whose face was stricken with terror. "You see," said Elise, "that I am ready to help) at your toilet;" and she smiled so benignly that it for such a guerdon Franz would have risked a

thousand lives.

The business of arming was the work of a few minutes. Franz and the apprentices were speedily

dauger if you bestow a single thought upon me.' "I will pray for your safety; do not risk your life needlessly," murmured Klara; but Franz heard her not. Multitudes of people were rushing like a torrent through the narrow streets, and

Franz and his companions were swiftly drawn into the stream and carried out of sight. On the market-place, in front of the cathedral, . a dull fire, smouldering in its ashes, marked the spot, full of breathless expectation and eager for action. They were already wenry of suspense and panted for the conflict upon which the fate of the city depended. In the porch of the church | sat two descons, waiting to receive the offerings of gold, and silver, and precious stones, and menacing all who held lack the smallest portion of | their wealth with the doom of Ananias and Sapphira. Two prophetesses stood by the table of the offerings, with hair dishevelled and garments | rent, admonishing and threatening the people.-They understood the art of working upon the su-

had practised it long in their profession of wandering fortune-tellers. with dense masses of armed men, waiting impalength, the supreme chief of the movement, the est degree exhibarating. All the people had either mighty Matthias, was seen advancing towards come out of their houses to receive that valiant the assembly. The commotion caused by his ap- band, or thronged to the windows and balconice proach was like the low swell of the sea before a with flags and waving of handkerchiets, to greet coming storm. He was clothed in his sable robe, them as they passed. Wild acclamations, songs of hair-cloth, and he grasped in his right hand of triumph, and religious chants, reluted them the pondcious spear, whose white ash handle was everywhere. The maidens of the city, robed in yet stained with the blood of the old armourer. in white, and carrying green pine-branches in The natural ferocity of his aspect was lighted up their hands, advanced in procession, headed by with more larid brilliancy than ever; foam ex- Jan Bockhold, their clear and youthful voices uded from his lips, and the expression of his eyes joining in the full chorus of the hallelniah.

armed masses closed around him. othe cursed priest of Baul, the spotted tyrant who | played by the inhabitants, when the remnant of | currounded our walls with lines of fire! The deposited their spoils as common property in the ramparts, and is beaming us in on all sides. If were duly delivered over for instruction in the Brane and said similar we allow him to fortify his position, these rank faith to Orator Rothman; and when the first cowards, who dare not meet us man to man, will movements of the excitement had somewhat subsireduce us by tamine. Therefore, the Spirit hath | ded, the prophet closed the public transactions of said to me, "Arise, Matthias, gird on thy sword; that eventful day by a long address, in the course take with thee five hundred chosen men, and go of which he pronounced an eloquent panegyric on forth and destroy the ungodly. Lo! this day the daring courage of the conquerors, especially shall they be delivered into thy hand!" Breth- distinguishing the zeal and heroism of Franz. ren, those who are true to the holy cause and | The nevelty of his situation, his sudden elevafaithful unto death, who would die rather than tion to a post of influence and responsibility, the submit their necks again to the iron yoke we have tangible fact of the victory he had achieved, and even now thrown off, let them stand forth, and the strangeness of hearing his name shouted out follow me, and the host of the enemy shall be scat- on all sides, made the heart of Franz throb high,

· whirlwind. He was eager for the battle, but he loathed the of his head. He looked around eagerly for Elise. leader who called him to the field. Whatever The victory was for her, not for him. He was ; might have been his irresolution, however, had he conscious only of her last words and her implied been swaved by these considerations alone, the promise; and the soul of that impromptu conrecollection of Elise determined all doubts. He queror, instead of rising to the height of the great thought of her at that moment, and of the greet- occasion which he had himself almost created, ing that awaited him should be return in triumph; fluttered back to the humble house out of which and the last words of Matthias were scarcely fin- | he had that morning passed under circumstances ished, when he stood forward and offered himself so widely contrasted with the pride and pomp of for the service. His apprentices followed, and 'his return. then the valle holy of armourers and smiths, Evening darkened over the old walls of the imanimated by a common zeal for the honor of the perial city; the people, wearied and worn out by craft; and then followed the butchers, because his the vicissitudes of the day, gradually dispersed uncle, Meister Gerard Kippenbrock, was at the and returned to their homes; and the streets were head of their trade; then others pressed forward, nearly silent and descried, when Franz, followed and in a few minutes the five hundred men were by his Gesellen, of whom one-half had fallen in counted out and separated from the rest of the the camp, slowly returned to the house of Krutz-

""You were the first who volunteered for the sortic," said Matthias to Franz, "therefore be the erected in front of the door to receive the victor; first in the host, and lead the people of Zion to and beneath that arch stood Elise, habited in her Matthias knew nothing of Franz, or of his ergetic, had acquired an air of grandeur and in- CLAIBORNE & FERGUSON, the battle as my general and my brother." fitness for the important office to which he had spiration; her long dark hair fell luxuriantly over promoted him; but he actedupon an impulse which her shoulders; her check was deeply flushed; and beldom errs on such occasions. He saw in the her eye flashed with the fitful radiance of passionenergy and resolution of his air that he was ex- ate emotion. actly the person to head the desperate enterprise upon which they were about to be engaged.
