> Southern Preparations for War. On Saturday a gentleman called on us, says the | some days past been making and are now making | for Richmond, the headquarters of the Southern army destined for the conquest of Washington cit, and the District of Columbia. He says that in all ; his journey he did not see a solitary railroad train going in the direction of Richmond, that was not loaded with troops and munitions. From Charleston alone, during the two days he was there, 4,000 i armed men started for the Virginia rendezvous.

He states that these general and rapid movements are not reported in the papers of the Confederate The money article of the New York Times of States, but he has no doubt that the army at Richmond will prove tremendous in its strength of Private Money-lenders have become extremely numbers. He tells us that all the men he met timid in regard to mercantile paper, and the busi- with, military officers and others, spoke of the ness in discounts outside of Bank is dull in amount | conquest of Washington as a settled thing, just as and wholly unsettled in rates.
