WARRINGTON, May 37th.-A messenger just from the Virginia side of the Potomac reports that the First, Second, Third, and Fourth New Jersey Regiments are still occupied in throwing up works one mile beyond the Long Bridge, and other works are to be commenced forthwith, so as to effectually defend Washington. The Eighth New York Regiment is on Arlington Heights, with Berrien's battery. The Sixty-ninth New York Regiment are till engaged on works about a mile and a half from Georgetown. These completed entrenchments and breastworks will be extended further into Virginia. The New York Fifth and Twenty-eighth are two miles beyond, similarly engaged. This morning a capture was made four miles beyond Alexandria, on the line of the railroad; a car loaded with provisions, and 18 Secession soldiers, in citizens' dress. were brought to Alexandria. Two Zouaves seized a secessionist with about \$250 on his person, together with pistols and papers. He was deprived of those effects and released on his parole. Other seizures continue to be made.

The Kansas Troops. LEAVESWORTH, May 25 .- The U. S. forces from ...50,000 86 companies of cavalry and five of infantry, under 23,000 %5 a few days' march of this city, with all the means The Boston bids amount to \$354,000. John C. of transportation and plenty of subsistence, from h the Texan frontier. They made a rapid retrograde movement and captured twenty-five Texans, who had been dogging the troops some time. They were held prisoners for one day and then discharged.— The regiment of Kansas volunteers for three years' service is being mustered. It is not known by the State military authorities, whether any three | months' volunteers will be accepted by the government. M. F. Conway has been nominated for re-

election to Congress, from this State. Warntvoron, May 27 .- Capt. Berrien, with 185 | every description, and respectfully milicity from his friends and men and six field-pieces, arrived here in a special train from Annapolis early this morning. Mails for June will, if possible, be got to their destination ria the West. The mail service will be kept up between Washington and Alexandria. The Treasury Department immediately after the opening of proposals on Saturday, commenced informing the successful bidders of the result. The Secretary accepted for bonds placed at 85, and refunded and awarded the remainder to bidders for Treasury i notes at or above par. There were awarded for i bonds \$6,753,000; for Treasury notes. \$2,241.000.

The Prize Cases. NEW YORK, May 26 .-- The Prize Commissioners have given up the schooner Geo. M. Smith, from Wilmington, N. C., it having been shown that she cleared before the fifteen days, allowed by the Mr Clarke President's proclamation, expired. The vessel is owned by a firm in this city. The case of the North Carolina, captured while trying to run the blockade Mt. Clarke | to get into Norfolk, will be decided to-morrow.

Latest News. The Washington correspondent of the Herold

am able to state authoritatively that no further advance will be made into Virginia from the other side until the fortifications now going up are completed, and the army of invasion has had the benefit for some time of the excellent schooling in real campaigning they are now undergoing. At Work in the Trenches.

The Seventh regiment was drummed out twice last night by order of General Sandford, expecting to receive the order to return on this side of the river at any moment. The members continued packed up nearly all night, although all out worn out from want of sleep. They again volunteered to-day to labor in the trenches. The best was oppressive all day, but the plucky men of the Seventh vied, nevertheless, with the hardy veomen of New Jersey in handling picks, shovels and wheelbarrows. The Seventh worked in squads of one hundred and fifty men, relieving every two

Only two defensive works are erecting—one near the end of the Long Bridge, constructed by the New York Seventh and the New Jersey regiments, and the other directly opposite Georgetown Both are going up on commanding elevations.

It is believed that an important military movement is to be made on Harper's Ferry by the way of several country roads through Washington county and Frederick county, all of which converge near to Maryland Heights.

There is a strong desire in the West for the possession of the city of Memphis, Tenneswe, and i is said that General McClellan intends soon t make an advance movement towards it with the Wisconsin brigade.
