FOURTH CONCRESSIONAL DISTRICT. Editor of the South: announce myself unconditionally a candidate for Congress in the Fourth District, In opposition to Hon. H. Winter Davis, and respectfully call your

TO THE VOTERS OF THE 4TH COXGRESS-SIONAL DISTRICT OF MARYLAND. The times demand that there shall be no misun-, derstanding between the people and those who may represent them in Congress.

If you desire a representative so pledged to the If you desire a representative who will entertain you amid the clash of arms with beautiful disserts.

it? The people of Maryland are not free to decide that question. Her soil is covered by enormous armies; her waters by numerous fleets; Her State government is powerless; the municipality of her chief city is despoiled by "virtue of the sword. and every citizen retains his personal liberty only

at the discretion of soldiers not her own. The question which your representative must meet, is, war or peace-bread or no bread. The proclamation of the Precident calling out seventy-five thousand men to retake the Southern forts, shows beyond a doubt that the intention of the simultaneous calling of the Congress, was to carry on the war. The calling out of forty thousand more militia for three years, and the raising large

The fiat has gone already forth, in the Northern press, that every member of Congress who shall dare to raise his roice in Congress against this war. is a traitor. There are men from our sister border | States who will dare nevertheless to take that por rition. There is one gallant representative from a Northern State who will dare to take that position. Let the representatives from Maryland take their stand beside them, and denounce this unholy war upon our brethren of the South. Let them refuse refuse their ascent to the crushing taxes which must be laid to carry it on. Let them do their endeavor to stay the torrent which is rushing, from a dread of | standing armies, to a position which renders them I fixed and ineritable; which is changing our American system of government, "the consent of the governed." to the compakion of the bayonet.

" Upon this question of peace or war, depends the know, that it was the sailing of the Armada from New York to the South, and the Proclamation of the President calling out seventy-five thousand men to "retake the forts" which swept off Virginia and

The plenty garnered through long years of peace lands and your liberties to some cunning Pharoah

It is the duty of the Government that you be not and marched to the railroad station, where they slavery should be removed if possibly eafely, and brought to such straits. It is the duty of the Gov-2. If this should fail to bring about the results took passage, so the men said, for Chambersburg. with the greatest benefit to all classes in the com- ernment to give you peace. It is the duty of the so desirable to us and so essential to the best This movement, in connection with the concentra-A BRAVE WOMAN .-- Accompanying the Rome homes of their fellow-countrymen to their own Light Guards, from Georgia, who arrived at peaceful and unthreatened firevides, to those peacepeople of all the stated, in which they have heretofore and can peaceable adjustment may be devised and adopted, per's Ferry. Company F, of the 4th United States Lynchburg, Va., last week, it is stated, was the ful pursuits in which they have heretofore and can be presented by the first familian and the stated by the stated of the stated by the stated of the stated by the stated of the state wife of the captain, who has determined to share | again provide for the comfort of their families, and with her husband, to whom she has been united educate their children to know the rights, the in marriage only a few weeks, all the dangers and duties and the privileges of freemen—the right and none to make him alraid; -and it is the duty of the Government to leave you to do the same.

Again, it is the duty of the Government to keep this continent in the right in regard to the powers of Europe. By existing treaties, those powers have the right to enter all the ports of the United States for commercial purposer. Do you suppose that those powers will suffer their shipping to be excluded from a commerce in Cotton and Tobacco, on which their governmental revenues and the very bread of their people are so largely dependent, in violation of treaty stipulations, to enable the United States Government to enforce its laws upon its own [ people. They will hold the United States to its lown theory, of "only retaking the forts" and punishing the "rebellious individuals," but they must At Berlin, seven miles from the Ferry, they have | The rumors are very various and contradictory not do this at the expense of others; or, if they Justice of the United States. One set of specula- it so involve a limitless expenditure, and subject

If there be those among you, who say, that you desire to be part of the Southern Confederacy which will certainly sustain itself, I repeat that that questhe question now. If there be those among you | who ear we love the Union and will fight for it. tell you the only hope of the Union, is not to fight for it. It will be hard work to restore it with peace; to restore it with war is impossible. I have shown my devotion to the Union by tighting for it, against not fight for it upon the hills of Virginia against my own countrymen. If the Union cannot be kert i without the bayonet, it is no Union-let it go.

Fighting for the Union, is disunion; it is endless misery -- it is want of bread - it is lose of liberty. We may fail in our efforts to arrest the war-but let us try. If there be any man who you think will do it more earnestly or more efficiently than I, bring
