BY THE PHILADELPHIA TRAIN.

From New York.

The New York correspondent of the Philadelphia The loss of the steamship Canadian occasioned soldiers passed on some paces, when one of them a painful sensation this afternoon. Almost every stopped and remarked that he was going back to vessel arriving here from European ports for the have satisfaction. The two then returned, and fortnight or three weeks past, reports encountering one of them came up to Myers, seizing him by the immense fields of ice off Newfoundland, and in

Despatches (private) were received from high

The bark General Green, of Charleston, which was captured by the United States gun-boat Quewas attracted by the firing, and gathered about the ker Cuy, while endeavoring to run the blockade dwelling of Capt. Myers, threatening vengeance there, arrived here to-day in charge of Prize-SHARPSHURG, June 14.—A reliable escaped Virenteen station soon appeared and prevented them from Sagua for Baltimore, with a cargo of sugar. "Billy Wilson's Zouaves" are not off

The Washington correspondent of the Philadelphia Ingrirer furnishes the following items:-The result of Gen. Pierce's incapacity at Great , Bethel has brought to light a deep feeling which

were at Winchester to-day at noon, en route for

The Evacuation of Harper's Perry. The special correspondent of the Philadelphia Inquirer furnishes the following additional jurticulars of the evacuation of Harper's Ferry from its Frederick correspondent:

All the cars upon the Winchester Road were no soldiers were allowed to ride. Three car loads of cotton were thrown into the l'otomac river, but Monuments, Grave Stones, Mantles, 5,000 LOTS NEW YORK town were trying to save their houses and stores

The Rebels at Leesburg, on Thursday night, fired the railroad depot at that place, and also destroyed the engines and cars. They then fied i further into Virginia. When my informant left i Leesburg yesterday morning, at 11 o'clock, Col. Patterson's Seventeenth Regiment and several thousand New York and New Hampshire troops. with Capt. ()wens' carairy and battery, were advancing on Leesburg, and would occupy the town, The Union men in Frederick are jubilant over the news. Governor Hicks is here, and of course l also rejoicing. All unite in the belief that General Scott will catch the Rebels before they reach

The Turnpike Bridge over the Shenandoah has not yet been fired. The bridge will be rebuilt in less than a week, and General McClellan will be brought through within ten days. The railroad bridge is damaged even more than as at first sup-

JUNE 16, 2 A. M.—A person who left Harper's when Gen. Johnston left last night.

Respening of the Baltimore and Ohio Rail-POINT OF ROCKS, June 15.—The obstructions of FANCY GOODS the Baltimore and Obio Railroad at this point have been removed, and the road, under the vigorous eupervision of the Master of Transportation and other officers of the road, was reopened to Harper's Ferry for the first time this morning since the occupation and obstruction of the road by the Secessionists. The immense boulder, weighing about one hundred tons, thrown from the Point of Rocks | upon the road by the Confederate troops, was removed last night by blasting, and the track now passes over its crushed fragments, which served to fill up the depression in the bed of the road, caused by its fall. An immense mass of the rock projects into the canal, leaving sufficient space, however, for the passage of the canal boats. This obstruction can be easily removed by blasting, and the ca-\$538,069 | nal fully re-opened for navigation. The culterts 270,578 | which were attempted to have been blown up are now fully repaired; the solid character of the work ...\$46,352,693 \$29.371,406 rendering the attempted destruction but partial in Thrown on the market 46,507,063 27,841,302 extent. A picket guard of cavalry was stationed on the Virginia side within sight of this point, at last accounts. They were but few in number-not

Speenlations as to the Movements of the Confederates. WASHNIGTON, June 15.—The evacuation of Harper's Ferry has naturally awakened increased interest here as to the next movement of the Confedrate troops, and the mind is instinctively directed to Mannaisas Junction. The present plans and purpages of the War Department are matters of specua majestii.
Schr. Frank, (Br.) Nass, from Halifax, N. S.—fish, to Jas. Cor. | lation, but it is evident that the preparations are of such a character as to efficiently meet all contingencies. The city is remarkably quiet this morning, there being neither extraordinary facts nor I falsehoods to produce excitement. The 2d and 3d Connecticut Regiments, it is said, in addition to the two Ohio Regiments, passed over into Virginia

> Latest from Harper's Ferry. SANDY HOOK, June 15, 12 o'clock, A. M.-A perbon who left Harper's Ferry half an hour agostates that the town has been entirely deserted by the military. This is contradicted by a later messenger, who declares that a large body are yet stationed at Bolivar, on the outskirts of Harper's Ferry. All the Government buildings have been destroyed with the exception of a store house, the blacksmith shop and the rifle works, all of which have been spared to avoid jeopardizing private property. The bridge across the Shenandoah has been spared. The American flag is flying at Berlin and Knoxville. Martineburg has been occupied, according to latest reports, by a large force of United States troops.

From Texas and Mexico. New Orthans, June 14 .- Texas advices say that Cortinas was attacked, about a mile from Redmon's Ranch, by a force under Capt. Benavades, and completely routed, killing seven of his men, wound ing several, and dispersing the balance. Cortinas escaped with about ten of his men into Mexico.-It is understood that a revolution has been inaugurated in Tamaulipas by Guerrero, the defeated candidate for Governor, who has issued a proclamation declaring that he had removed the question as to who should be Covernor from the ballot-box to the sword. It was believed that the revolution i would become general, and that Guerrero would unite his forces with those of Marqueras and Mejia. who had been setting the Juarez (invernment at) defiance.

Military Intelligence from the West. Cuicago, June 14 .- The truops at Cairo, were reviewed yesterday afternoon by Gen. McClellar who expressed admiration of their appearance at 1 drill in the highest terms. The Tribune's Caire | ap 23 tf

· The Latest News. The Tribune's Washington correspondent says |-Henry Winter Davis will probably be sent to I in this desirable office.

This movement is considered by some military But the more sagacious Generals here say the rebels are evidently intending to concentrate their forces at Manageas Junction, and to give our army battle before Washington. The movement is considered a shrewd one.

A despatch from another correspondent says:-The War Department is in receipt of despatches to the effect that from ten to twelve thousand marching in the direction of Leesburg, probably to oppose the progress of Colonel Stone's federal forces. The latter will be reinforced by regiments nothing doing. Exchange on New York dull at | marching orders. Some will undoubtedly join | our army on Arlington Heights. ()ne of the official desputches received states NEW URLEANS, June 14 .- No sales of Cotton to-

> at Richmond of the course the government intended to pursue in regard to the Norfolk Navy Yard.
