From indications noticeable here to-day, the ments have arrived there recently, making 35,000 Covernment is not insensible to the movements of in all at that point, all well armed, some of them with European muskets, and well commanded, 1.30-A report has reached here that the Federal either by West Point graduates or men who have lines on the Virginia side of the Potomac have been | been students in the Southern military academies. We are also informed that in addition to the new intrenchments eight miles northwest of Richmond. the city is to be defended from attack on the western side by works at a still greater distance, in pursuance of surveys just made by military engine-The New York 14th regiment of State Volunteers | ers. The survey does not extend beyond the Blue

Ridge, for it is calculated by Gen. Beauregard that the disposition of the Confederate forces along the Manassas Gap Railroad, and particularly St. Locus, June 19.-Advices from Kansas City southwest of Strasburg as far as Harrisonburg, rear. It is probably to guard against this that ex-Governor Wise is posted with guerrillas at 34 BLACK BARRUER,

All this does not look very like an attack on firing upon the citizens by the volunteers on Mon- | new loan, but proposes to issue Treasury notes to the amount of \$200,000,000 or \$300,000,000, ranging from \$20 upwards. This appeal to the people is on the plan of Louis Napoleon, and is resorted to on account of symptoms of revolt in Wall street. The President will openly arow his reasons t disregarding the requirements of the Constitution

> [ Coll. Smith in meddling with little peddler boys ] selling likenesses of Jefferson Davis will stir up mischief. We hope Gen. Banks will take him in

At Baltimore it is feared that the imprudence of

Stone's command and the Confederates. neighborhood, and would take at least every one lina, on Monday last, and would probably be The report is quite current in various parts of Missouri that the two United States Senators of that State, Messrs. Johnson and Polk, will not

I take their sents at the coming extra session of Mr. Lincoln yesterday got off one of characteristic jokes upon the occasion of the arrival of the of the Herald thus reports him:

Before the crowd departed the President had his ljoke; and it was quite a significant one. Some one was speaking of the intense feeling of the Mas-GRAFTON, June 20 .- Further particulars have sachusetts people on the present question, that this been received from Piedmont. The Confederate regiment, so splendidly provided and sent forward, was but an an evidence of the thoroughness with which the people of that State are determined to do their part in putting down the rebellion. The Marylanders from Cumberland, under Capt. Birely, President, after complimenting the Old Bay State who had planted at the bridge a piece of artillery. for the surprising promptness with which she re-They met the approach of the Confederates with a sponded to the first call, and the bravery with raking tire, mowing them down like grass. This which her troops received and returned the first will be remembered that some days before the continued till the gunners were all killed and the fire in this war, and the endurance and skill they evacuation be had sent a force of three thousand | brave little band were cut to pieces by overpower- exhibited in opening the great Northern gateway to the capital, said: "It is evident that the Massachusetts people have got riley, and from what | we just saw they appear to be coming down here to settle." This play upon words produced

considerable merriment. General Jim Lane, of Kansas, is here, to offer an independent brigade to the government. Secretary Cameron, however, is opposed to accepting any more volunteers until after the meeting of Congress, which is viewed by military men more experfenced than the Secretary of War to be a mis-

It has recently been ascertained that the most . instance one thousand barrels, said to contain The Jonesborough Express of the 15th publishes | coffee, was purchased, for which the government paid about thirty-two thousand dollars, besides i the expense of transportation. Thirty-four barrels were opened, and samples taken out and tested. From twenty-five to thirty-three per cent was stud; the remainder proved to be chicory and peas, burnt | Used by Woolen, Cotton, Sup and Paper Manufacturers, Tan-

These facts were ascertained by chemical analyin to produce the weight. The whole of this material did not cost 4 cents per pound, while the government paid 16 cents, and the troops were h much in want of arms, whole companies being un- rage. This is only one case. Frauds have been armed. Southern Kentucky will soon secode, says datected in articles of pork, beef, bean and peathe same paper, and that General Pillow will move | flour, &c., &c., all of which are subjects of inves-

tigation bereafter. The Tribune, editorially, publishes the follow-

ing significant paragraph: We learn from a source not likely to be misinnot upon the Secretary of State, but on prominent friends at his, deeply interested in contracts, RENCY WANTED. and that the President is not aware of the facts, it would be difficult to deny that appearances were

The Washington correspondent of the Tribune . thus taxes the credulity of the readers of that

It is positively stated by persons in the vicinity, LAKE, Ogle county, Ill., June 19.-T. D. Burke, of the Confederate batteries at Vienna, that the ves one hundred and fifty negroes to receive the fire of the Ohio men, but that the former fell flit on their faces when the muskets of the latter were pointed in their direction, and that thus the shots i passed over them and killed six of the soldiers whom they were set up to protect.

The same writer makes the following statement The speech of Mr. Secretary Cameron at the

dinner of the St. Andrew's Society last evening, was the most satisfactory delaration of the poljer of the Administration that has yet been made, and that clause wherein he states "that I the war would continue until all the causes WILMINGTON AND RALTIMORE which produced it are removed, and when it terminates we shall hear no more of Virginians. no more of South Carolinians, but shall be all Americans, one and indivisible," was received with immense cheering. We are happy to have t in our power to say that the activity of the War Department has illustrated the sincerity of his de-

The Northern Central Rail Road is doing so well i under Mr. Cameron's management of the war, that we do not wonder he is anxious to prolong By leaving to 6.15 A. M. train will ensured at Wilmington with 9 66 A. M. trein, daily (except Senday) for Milford, Saliabury | the strife, indefinitely.
