But it is my fixed resistance and an antique of the surface of lution, notwithstanding many discouragements, in motion of civil or religious freedom, but for the curies over marched on board of the battle to the mations of the mation of state of the curies over marched on board of the battle to the mations of the mation of the curies over marched on board of the battle to the mations of the mation of the curies were marched on board of the battle to the mations of the battle to the mation of the battle to the mations of the battle to the mation of the battle to the battle to the mation of the battle to the

appears to be the very unsatisfactory policy of the British government relative to the privateering ap 22 cm question. From the inexplicit statements made by Lord John Russell in the English House of Parliament, and from the perplexity that appears to be selt at Washington, there can be but little doubt that the despatches of both governments ; have crossed each other upon the Atlantic. The Washington correspondent of the Herald

General Schenck was really informed of the planting of a battery and the presence of a large | force of rebels at Fall's Church crossing. The comments of the Washington correspond- consulted with the officers in direct command decide whether they are to be subject to this country resolution, we might give up the contest. America ents of the Northern press upon the affair at Vienna are amusing. Whenever any of their men South Carolinians. Never mind this d-battery." "But in truth the cry of Dunmore did not rouse are slain while invading the South, they lustily Hence the Engineer was ordered to more on. Up-"among the Africans a passion for freedom. To raise the cry of "murder"—"assessination."— on the officers, then, rests the responsibility for them bondage in Virginia was not a lower condi-"tion of being than their former one; they had no The correspondent of the Philadelphia Inquirer the fatal results of the foolbardy movement. The the evening. The lateness of the hour accounts .

John B. Weller, our late Minister to Mexico, "When Washington learned the fate of the rich and a plan for its capture, have been matters well arrived here this morning, bringing important In the Congress of 1774, there was not one mem.

"We hold these truths to be self-evident, that all property and grief; that they are endowed by the struths to be self-evident, that all property are greated found; that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that they are endowed by the struths to be self-evident, that all the struths to be self-evident, that all the structure of the government from Minister Corrections of the country, for so be called on the Secretary of State immediately, and enthusiasm of calculated to arouse the spirit and enthusiasm of calculat
