The Federal picket guard near Little Bethel was | yesterday driven in by the Secession scouts-Teles du pont are being formed on llampton creek preparatory to rebuilding the bridge there. Two persons came in this morning representing them-" selves to be deserters from Sewell's Point, but I i them to the guard house as spies. It is said that) the Confederates are erecting strong masked batteries opposite the Rip Raps. Since the successful i experiment with Sawyer's gun, important events at Sewell's Point have been expected.

Complete returns of the killed and wounded at Great Bethel have not yet been made nor ever will The carlessness and inefficiency of many of RIFLE AND LIGHT INFANTRY TACTICA, Musicand our volunteer officers is inexcusable. A flag of truce came down to Hampton a few | THE SOLDIER'S GUIDE, a Manual and Drill for the bours ago to arrange for the exchange of prisoners,

of whom we have four, namely—one soldier and three civilians, taken with arms in their hands. A flag of truce goes to Norfolk this evening to) convey thither several persons just returning from

The United States sloop-of-war Jamestown sailed southward last night. The sloop-of-war Vandalia sailed two days ago. Besides the Cumberland and Herriet Lane, there are several gun-boats in the

The only movement of note which had taken) place was the sending on Thursday morning of It | Colonel Duryee's Regiment on a tour of reconnoi-£200,000,000 sterling. In every Northern and sance to the region of country near Little Bethel, as the Confederate troops had again returned, an-I noying the Federal Picket guards. In one in-I stance and within a few days past, they had fired upon the guards, and after severely wounding one had succeeded in capturing two others. This an-| noyance Gen. Butler determined to stop, and therefore sent out the body under the command of an officer of the regular service to make a further report of the enemy's movements to headquarters. (With them was a large number of the Naval Brigade, who rendered themselves useful in rowing the command across Mill Creek. For this purpose they used the large fishing boats recently purchas- GRNERAL NEWS AGENCY. ed [i. e. stolen from] the Susquehanna fishermen.

The regiment had not returned up to Thursday levening, nor were they expected until a late hour) of the night. The poor fellows of the Naval 1 Brigade were intensely ridiculed by the soldiers, but they bore their taunts with meekness and for-I bearance. Many of them are absolutely living i like hogs, going from trough to trough and eating that which others leave. They are dirty and aqualid for want of clothes, and they are always called on when any hard or dirty work is done. and mysteriously transferred to the other, who fill the Adelaide, and devoured a huge pan country by reliable carriers and agents. A half dozen of them begged their passage to Bal-There are three things for which United States and mysteriously transferred to the other, who full of provisions sent them from the kitchen.—

| Degan with nothing, and who had so kept the There and it was the only good meal they had enjoyed for months. One chap, who was almost famished, after eating enormously cried out in high glee, "give me but the image of another steak; lask no more!" Several gentlemen on board put them through the bar several times, with big juleps, which greatly rejoiced them, and then) made up a small purse to carry them homeward.
