The South.

The South. "Before St. Mark still glow his steeds of bram, Their gilded collars glittering in the sun; But is not Doria's menace come to pass?

Are they not bridled? Venice, lost and won. Her thirteen hundred years of freedom done, Sinks, like sea-weed, into whence she rose! Better be whelm'd beneath the wares, and shun, Even in destruction's depth, her foreign foce, from whom submission wrings an infamous repose."

The Fratricidal War.

guage of the Northerns and of their journals tends ; more and more to disgust and outrage all who hold and then: the sacred faith of human freedom, and to make them weep in poignant mortification and deep despair. Well may we despair of popular liberty world tyranny "the releas" and the "rebellion" Distance of Tuesday, from which

It what is now passing in America took place —be must have time for that, and then we shall in any of the old world empires, it would be at place him under siege. There is another plan least intelligible. If the citizens of nearly half of which you shall know under strict secreey. Our an empire five titues as large as all Europe, with old friend, Mr. Crittenden, in wanimity never surpassed, and rarely equalled, Celled, by tree poll, in open day, by universal sur that their interests and their teelings demanual the substitution of the Imperial Government of their own choice; and that the Imperial decrement marched its armies to crush the demand the blood of the "rebels," it would be nothing no amongst despotic systems. But in a system base on the will of the people-based on the right of rebetmen—that all this should hapism of old Europe ever down the sword more save agely to put down "rebellion" and trample on the lows! but we cannot help it now. We understood understand the patriotic cause.

Some unfortunate men have been killed, poor feljustness of these views. It was well known that disgrace attaches to them, and all supporters of the periodic cause.

Some unfortunate men have been killed, poor feljustness of these views. It was well known that disgrace attaches to them, and all supporters of the periodic cause. pen that we now see-that no tyranny or despotvoice of the people, than this same Central Gove) ernment of a Republican confederation-it enough to uring the heart of any man who believed in the greater humanity and teleration of popular governments. Well may the advocates ! of despotic monarchy bugh in bitter mockers at] those who believe that a people ruling themselves ! would never spill blood in popular subjugation, and that such murders were done by kings and

despots of Old Europe! It is a hideous sarcasm of Republicanism to bear the journals of the Northern States yelling) for the blood of "the rebels." for their utter subjugation and destruction! "We mean to conquer ; them," says the New York Tribune, "not merely . to defeat, but to conquer, to surgente them. self-same right those rebels claimed—self-govern- through fire and blood.

When England made war on her rebellious Amerito the groundlings, cast off your stage trappings. In detail.
