Yes, sir, we wish for peare, but how is that bless- } lag to be preserved? I shall repeat here a sentiment I have often had occasion to express. In my opinion there is nothing worth fighting for but national honors for, in the national honor is involrod the national independence. I know that a State, may find itself in such unpropitions circumstances, that pradence may force a icioe government to conceal the sense of indignity. But the insult should be en-

"A town me ting of Boston had been called at the Old South Church, in consequence of some new aggression upon the rights of the people. The different orators of the patriot party had in turn addressed the meeting, boul in complaint and accusation, but guarded and cautious on every point which , might look like an approach towards treasonable expressions, or direct exhautations to resistance. Adams placed himself in the pulpit, and sat quietly listening to all their ha angues; at length he rose and made a few remarks, which he closed with the following pithy applogue: "A Grecian philosopher who was loing aslesp on the grass, was suddenly roused by the bite of some animal on the palm of bis haad. He closed his hand quickly as he awoke, and found he had caught in it a small field mouse. As he was examining the little animal which had; grioun Elopience, Vol. I.
